Abstract

Since the start of 2020, the world was struck with a new virus which attacked the respiratory system of the humans. The virus was discovered to be a variant of coronaviruses and was thus recognized as SARS-Cov-19 by the World Health Organization. A public health emergency was imposed by WHO as the virus was declared as a pandemic with the number of deaths and affected rising past each day. As the virus was spreading across the globe, the number of cases strict measures like complete lockdown were taken to curb the spread of the disease. The objective of this study was to examine the extent to which mental health of the students was effected. A thematic analysis was carried out to extract the findings of the current research. The study concluded that covid-19 marked a very negative impact on the student's mental health. Further studies shall be carried out on a larger cohort to reduce the selection bias.
