Seeking Identity Nancy Mae Antrim,2021-03-04 Seeking Identity Language in Society looks at how we define and create identity both as individuals and as a society through language Our language choices reflect not only how we view ourselves but how we are viewed by society An individual s identity is reflected in various language construed identities ethnicity gender and cross cultural counter cultural In turn these identities are projected by society on the individual ethnic group by the language choices society makes in describing and addressing these individuals In the first section Language and Identity an ethnolinguistic approach is used to address the areas of language identity loyalty gender and ethnic pride Section two Language and Advertising looks at how society in turn uses language to relate to different groups by appealing to ethnic pride language identity and the power prestige that using a particular language variety entails Section three Language and the Media explores how the media contributes to our construction of identity Section four Language and Discourse shows how written discourse can appropriate construct and parody identity **Locating Imagination in**

Popular Culture Nicky van Es,Stijn Reijnders,Leonieke Bolderman,Abby Waysdorf,2020-12-29 Locating Imagination in Popular Culture offers a multi disciplinary account of the ways in which popular culture tourism and notions of place intertwine in an environment characterized by ongoing processes of globalization digitization and an increasingly ubiquitous nature of multi media Centred around the concept of imagination the authors demonstrate how popular culture and media are becoming increasingly important in the ways in which places and localities are imagined and how they also subsequently stimulate a desire to visit the actual places in which people s favourite stories are set With examples drawn from around the globe the book offers a unique study of the role of narratives conveyed through media in stimulating and reflecting desire in tourism This book will have appeal in a wide variety of academic disciplines ranging from media and cultural studies to fan

and tourism studies cultural geography literary studies and cultural sociology Brands and Gaming D. Nichols,T. Farrand,T. Rowley,M. Avery,2005-11-14 The computer gaming industry is bigger than the film and music industries and is growing faster than both of them put together The industry is also changing fast The typical computer gamer is in his mid 20s and female gamers make up one of the faster growing parts of the market New developments in sociability and interactivity are also transforming the industry This is the first major study of brands and gaming and shows huge opportunities for brand development *The Official Xbox Magazine* ,2006 **Gaming Representation** Jennifer Malkowski,TreaAndrea M. Russworm,2017-07-03 Recent years have seen an increase in public attention to identity and representation in video games including journalists and bloggers holding the digital game industry accountable for the discrimination routinely endured by female gamers queer gamers and gamers of color Video game developers are responding to these critiques but scholarly discussion of representation in games has lagged far behind Gaming Representation examines portrayals of race gender and sexuality in a range of games from casuals like Diner Dash to indies like Journey and The Binding of Isaac to mainstream games from the Grand Theft Auto BioShock Spec Ops The Last of Us and Max Payne franchises Arguing that representation and identity function as systems in games that share a stronger connection to code and platforms than it may first appear the contributors to this volume push gaming scholarship to new levels of inquiry theorizing and imagination *Santa Rosa and San Jacinto Mountains National Monument (N.M.)
