The Savvy Guide to Home Theater, 2004 Assists the reader with the purchase upgrade and installation of his or her home theatre system This guide helps the reader in identifying movies or enjoying music After reading this book the reader is able to make educated choices in the purchase of components and cabling whether building a system from scratch or adding one piece at a time *The Complete Guide to Sony's RX-100 MK2 (B&W Edition)* Gary Friedman, 2013-09-08 Love your new 20 megapixel wonder but having a hard time configuring it or understanding all of its functions Then this book is for you Written for the advanced user with tutorials and easy explanations in case you re not so advanced this easy to understand yet thorough guide provides a complete instruction manual which explains each feature in plain English and provides hundreds of visual examples as well There is no better way to learn about and get the most out of your camera More info at <http://friedmanarchives.com> RX100 MK2 **The Friedman Archives Guide to Sony's Alpha 6500 (B&W Edition)** Gary L. Friedman, 2017-03-09 The Sony Alpha 6500 camera builds upon the company s best selling Alpha 6000 and adds a significant amount of new features Professional photographer Gary Friedman explains the myriad of features in an approachable and easy to understand way explaining not only the what but also the why and in what situations you d want to use which feature In this 657 page book you will learn What every mode button and function does in plain easy to understand language Gary s personal camera configuration Unique features of the A6500 including why you ll never know just how distorted your kit lens is Shooting in 4K and how to choose the best mode for YOU NFC Wi Fi and step by step instructions on using them Which of the new downloadable apps are actually useful A tutorial to get the benefits of shooting RAW and a condensed guide to the basics A set of Cliffs Notes cards Instantly downloadable pdf file also available from the author s website **The Midlife Manual** John O'Connell, 2010-09-04 This manual is here to help those of us experiencing midlife showing us how to get the meagre most out of these years and making us feel less alone It will make you laugh It may at times even be genuinely helpful *A Practical Guide to Price Index and Hedonic Techniques* Ana M. Aizcorbe, 2014-06-12 This book provides an accessible guide to price index and hedonic techniques with a focus on how to best apply these techniques and interpret the resulting measures One goal of this book is to provide first hand experience at constructing these measures with guidance on practical issues such as what the ideal data would look like and how best to construct these measures when the data are less than ideal A related objective is to fill the wide gulf between the necessarily simplistic elementary treatments in textbooks and the very complex discussions found in the theoretical and empirical measurement literature Here the theoretical results are summarized in an intuitive way and their numerical importance is illustrated using data and results from existing studies Finally while the aim of much of the existing literature is to better understand official price indexes like the Consumer Price Index the emphasis here is more practical to provide the needed tools for individuals to apply these techniques on their own As new datasets become increasingly accessible tools like these will be needed to obtain summary price measures Indeed

these techniques have been applied for years in antitrust cases that involve pricing where economic experts typically have access to large granular datasets
