

Philips warrants its products for specific period after the date of purchase. Defects due to faulty materials and workmanship will be repaired or replaced at Philips expense provided that convincing proof of purchase in the qualifying period is provided. Use of unauthorized replacement parts will void this warranty. For the appliance to be used correctly, the user should strictly adhere to all instructions included in the user manual and should abstain from any actions or uses that are described as undesired or which are warned against in the user manual. If using product in a country where it was not intended for use, voltage conversion may be necessary. Philips cannot be held responsible for powering failures due to improper voltage supply to the appliance. The following table shows the warranty period for various product categories:
