The Copyright Zone Edward C. Greenberg, Jack Reznicki, 2015-02-11 If you license or publish images this guide is as indispensable as your camera It provides specific information on the legal rights of photographers illustrators artists covering intellectual property copyright and business concerns in an easy to read accessible manner The Copyright Zone Second Edition covers what is and isn't copyrightable copyright registration fair use model releases contracts and invoices pricing and negotiation and much more Presented in a fun and easy to digest style Jack Reznicki and Ed Greenberg LLC help explain the need to know facts of the confusing world of legal jargon and technicalities through real world case studies personal asides and the clear writing style that has made their blog Thecopyrightzone.com and monthly column by the same

name in Photoshop User magazine two industry favorites The second edition of this well reviewed text has almost doubled in size to ensure that every legal issue you need to know about as a photographer or artist is covered and enjoyable to learn

Popular Photography, 1983-07 [A Social Media Survival Guide](#) Melody Karle, 2020-02-27 The every person's guide to social media how to use it and what never to do Are you trying to figure out how to safely use social media but finding yourself struggling Here's a book specifically designed to help regular people figure out social media platforms It begins with a chapter about social media basics how they normally work why people use them and general safety tips It is easy to get confused by the large number of options that are out there so this book breaks down each major network into its own chapter Chapters are included for Facebook Snapchat Pinterest LinkedIn Instagram YouTube Twitter Reddit and Tumblr Because each social media platform has its own rules benefits and challenges each chapter gives a summary of the platform and tells the reader why people use it Next each chapter has a glossary of terms to explain language and slang that are used This will help people who are new to social media learn about terminology like subreddits retweets and more If readers decide to use the platform or already use it and want to learn more each chapter guides users through a how to of using each platform This includes the basic functionality setting up profiles settings and odd features that even current users may not know about Privacy and safety are also covered with a platform specific section devoted to these important issues in each chapter Two final chapters cover other notable social media platforms that readers might want to know about and archiving tips for saving social media posts and information This book can help people new to social media people joining new social media and people who are already on but want to learn how to better manage and protect their accounts **Google+ for Photographers**

Colby Brown, 2012-03-21 Prior to Google Photographers relied on a mix of Twitter Facebook Flickr and other services to display their work and interact with others No single service provided photographers with a complete set of tools that allowed them to connect with others in a rich meaningful way until now Unlike other social networks Google allows photographers to upload personalize and update images easily The Google interface is intuitive and attractive images appear large and uncropped in the stream preserving their original integrity and the infinite scrolling feature creates a fluid enjoyable photo browsing experience In addition the Google interface is built to encourage social interaction not in miniature sound bites but in full length discussions with diverse groups of people Users can build circles to connect with just those they want to include in different conversations and they can use the Hangouts feature to talk with other users in real time from anywhere in the world With this book you'll see why Google has quickly become the most inspiring and interactive social network for photographers and you'll learn how to leverage Google to build a following and connect with other photographers and potential customers Explains how to effectively showcase your work for the vibrant and growing Google photography community Shows how to upload organize and share your images and hone your skills through photo critique circles Features interviews with leading photographers who share their own photos and tips on how to make the most of

Google to build an online presence **Best Business Practices for Photographers, Third Edition** John
