Ques: How do we determine the right light for our plants?
Ans: Different plants have different requirements. Some need full light and others need low light. Some need warm light and others need cool light.
Ques: How do we know if our plants are getting the right light?
Ans: There are several signs that a plant is not getting the right light. If a plant is not growing, it may be getting too little light. If a plant is growing too fast, it may be getting too much light. If a plant is stretching, it may be getting too little light. If a plant is dropping leaves, it may be getting too much light.
