Ignorance and Bliss Mark Lilla, 2024-12-03 A wise and wonderfully enjoyable book Mark Lilla treats weighty matters with a light touch in an elegant prose style that crackles with dry wit Invigorating John Banville *The Guardian* A dazzling exploration of our wish to remain innocent and ignorant and its consequences Aristotle claimed that all human beings want to know Our own experience proves that all human beings also want not to know Today centuries after the Enlightenment mesmerized crowds still follow preposterous prophets irrational rumors trigger fanatical acts and magical thinking crowds out common sense and expertise Why is this Where does this will to ignorance come from and how does it continue to shape our lives In *Ignorance and Bliss* the acclaimed essayist and historian of ideas Mark Lilla offers an absorbing psychological diagnosis of the human will not to

know With erudition and brio Lilla ranges from the Book of Genesis and Plato's dialogues to Sufi parables and Sigmund Freud revealing the paradoxes of hiding truth from ourselves He also exposes the fantasies this impulse lead us to entertain the illusion that the ecstasies of prophets mystics and holy fools offer access to esoteric truths the illusion of children's lamb like innocence and the nostalgic illusion of recapturing the glories of vanished and allegedly purer civilizations The result is a highly original meditation that invites readers to consider their own deep seated impulses and taboos We want to know we want not to know We accept truth we resist truth Back and forth the mind shuttles playing badminton with itself But it doesn't feel like a game It feels as if our lives are at stake And they are

The Conqueror's Tread Shandon L. Guthrie, 2022-02-02 For many Christians the concept of spiritual warfare involves scenarios that are often enchanting extravagant and even parapsychological Hard lined skeptics respond by treating it instead as an archaic and outmoded superstition a farce While we might think a simple reading of Scripture will settle the matter this has not been the case since those writing on the subject are tacitly influenced by dubious philosophical commitments and presuppositions left unchecked This groundbreaking book incorporates philosophical reasoning in formulating for the everyday Christian a robust biblical doctrine of spiritual warfare It is a serious but readable attempt to understand what spiritual warfare is by addressing both the theological and philosophical issues involved The Conqueror's Tread dares to take a reasoned approach to pressing questions such as Do supernatural beings really exist If so what are they and what can they do Are there territorial spirits Is exorcism a part of spiritual warfare Does spiritual warfare involve speaking aloud

prayerwalking and breaking curses What can evil spirits do to Christians Can Christians be demon possessed Why would God allow his people to be in a state of conflict with evil spirits What is Christian holiness and how do we pursue it What role does apologetics have and many more

American Possessions Sean McCloud, 2015-04-21 Stories of contemporary exorcisms are largely met with ridicule or even hostility Sean McCloud argues however that there are important themes to consider within these narratives of seemingly well adjusted people who attend school go shopping watch movies and also happen to fight demons American Possessions examines Third Wave spiritual warfare a late twentieth early twenty first century movement of evangelicals focused on banishing demons from human bodies material objects land regions political parties and nation states While Third Wave beliefs may seem far removed from what many scholars view as mainstream religious practice McCloud argues that the movement provides an ideal case study for identifying some of the most prominent tropes within the contemporary American religious landscape Drawing on interviews television shows documentaries websites and dozens of spiritual warfare handbooks McCloud examines Third Wave practices such deliverance rituals a uniquely Protestant form of exorcism spiritual housekeeping the removal of demons from everyday objects and spiritual mapping searching for the demonic in the physical landscape Demons he shows are the central fact of life in the Third Wave imagination McCloud provides the first book length study of this influential movement highlighting the important ways that it reflects and diverts from the larger neo liberal culture from which it originates

Inerrant the Wind, *Crushed Ice* Dr. Latangela L. Crossfield, 2025-03-17 Imagine growing up in a small Southern town surrounded by sugarcane fields snakes alligator infested canals and palm trees Imagine growing up in a city where most people struggle financially where the nearest grocery store is five miles away where there is no hospital where there is only one traffic light and where most people know one another Can you imagine growing up in a family that has many secrets that could either destroy family ties or create bonds that could last a lifetime Welcome to Latangela Coleman Crossfield's family secrets incest murder and lies It was once easy for Latangela to conclude that she was the culprit of her demise After all her mother often told her that she would not amount to a hill of beans that she was nothing and that she would never be anything She sometimes believes these perceptions yet struggles to conceive them as reality Latangela toils with succumbing to the harshness of her circumstances Perhaps it could be that she was once a great pretender pretending as if being raped molested and physically and verbally abused by a neighbor her uncle her babysitter and her mother had in no way influenced the choices that she made Latangela sometimes jolts and cringes as she recalls experiencing uninvited fondling kisses rape electric cord beatings abortion the murder of her stepfather homelessness and so much more Indeed the recollection of these former days brings tears to her eyes yet joy to her heart as she discovers that she is not to blame for these atrocities Unforgiveness is her psychological prison cell It is in this cell that Latangela allows herself to succumb to the pain and agony of her past Latangela's life changes when she has a supernatural encounter with Jesus Christ She realizes that forgiveness is the key to victory She

learns to forgive her predators and herself for the poor choices that led to homelessness and unhealthy relationships In doing so the emotional prison cell that once held her captive ceases to exist Through prayer and supplication God gives her the wisdom knowledge and grace to separate agape love for her mother and her abusers from their indiscretions Latangela s life experiences do not prevent her from becoming an educator an author a minister a media personality an actress and a serial entrepreneur She plans to one day travel the globe to share how she was crushed but not defeated 0 **Unshakeable** John Eckhardt,2015-09-01 We all know people who sometimes act in polar opposites the minister who is godly prayerful and holy at times yet has periods of sin and perversion the person who is outgoing and cheerful yet falls into bouts of withdrawal and depression or the person who is gentle and kind yet has periods of outburst and rage Unshakeable is a teaching unlike any other from best selling author John Eckhardt on breaking the most binding demonic force double mindedness Through this powerful book you will develop a firm Christlike identity that will not be easily shaken by this world You will learn how to overcome the manifestations of double mindedness that result in Broken marriages and divorce Indecision and passivity Bitterness and anger Hurt and offense Fear and rejection Spiritually rooted sickness and disease And much more
