Matthew Eberz,2008-05-01 Major Sam Call now retired from the Army has joined LNMB Investigations owned by his friend David Lytle David was instrumental in helping Sam uncover the identity of an escaped German POW solve a war crime that had remained hidden for 45 years and also bring home a soldier missing since 1945 IdentityPoint a public records company is a major player in the relatively new world of computerized public records providing the government and private companies with reports on an individual s data data which revealed everything from the person s birth to their death and everything in between One corporate officer believes others in IdentityPoint have been illegally benefiting from a string of acquisitions and hires LNMB to go undercover to seek the financial data to prove her suspicions Along with David s long time associate Bob a small unassuming but extremely resourceful man Sam is immersed in a mesmerizing world of data and computers and quickly discovers the immense power the company and the data have over the lives of typical citizens While using the company s powerful reporting tools Sam unknowingly alerts the F B I and Sam once again finds himself the target of those who would wish to silence anything Sam has to say as well as silencing Sam permanently Set in Georgia British Virgin Islands and Washington D C Very Public Data explores the world of public records secret organizations world of personal identity systems and those that build them and those who abuse them Very Public Data unveils both the positive and negative power of public data and while this is a tale of corruption murder and deception it is also a celebration of the love of a man and a woman the unbreakable bond of soldiers and the undying strength that honor brings to the human spirit

Supreme Court, Appellate Division - First Department , June 10, 1999 Olympic Pipe Line accident United States. Congress. Senate. Committee on Commerce, Science, and Transportation,2003 Until three young men were killed in a devastating liquid pipeline explosion in Bellingham last year most of us paid little or no attention to pipeline safety The tragic events of June 10th changed that While pipelines continue to be the safest means of transporting liquid fuels and gas and though accidents may be infrequent and the more than two million miles of pipelines in the United States often invisible Bellingham has shown us that pipelines pose potential dangers that we ignore at our peril Page 1 **Path of the Sacred Pipe** Jay Cleve,2012-11-27 In these days of global crisis thoughtful seekers increasingly turn to Native Americans for healing wisdom The Sacred Pipe is the medicine says Jay Cleve in this informative and practical guide to a key practice of Native American spirituality The Hopi and other ancient cultures predicted our present age as one of transition into a New World The galactic alignment ending the Mayan calendar on December 21 2012 occurs only every 26 000 years and is thought to be a critical time for raising consciousness to align with the radical expansion of Earth energies Cleve shows how the Pipe can

facilitate transformation on both the personal and planetary levels He explains its use in rituals such as the sweat lodge the vision quest and the sun dance and in relation to the Medicine Wheel He also provides practical information on obtaining and caring for a Pipe and on preparing for and performing the Pipe ceremony
