**Alain Badiou par Alain Badiou** Alain Badiou,2021-02-03T00:00:00+01:00 N d une rencontre avec une classe de lycéens belges ce livre incarne l'accomplissement d'un défi celui qui consiste pour un philosophe c l bre pour l'ambition et la richesse

de son travail en proposer une introduction qui n'en perd pourtant jamais la pointe C'est ce qu'a relevé Alain Badiou dans ce petit livre mêlant entretiens et textes inédits qui parcourt avec autant d'allégresse que de pédagogie plus de soixante années de publications et traverse la totalité des domaines dans lesquels sa pensée s'est illustrée : ontologie fondamentale, mathématiques, politique, poésie ou amour, non sans multiplier les digressions en direction des grandes figures de l'histoire de la philosophie. L'heure où le livre d'Alain Badiou est enseigné et commenté dans les universités et les grandes écoles du monde entier, il faut temps qu'on dispose d'une boussole fiable afin de s'orienter dans son fantastique foisonnement. On la tient entre les mains.

**Badiou** Ed Pluth, 2013-05-02 Alain Badiou is one of the leading philosophers in the world today. His groundbreaking philosophy is based on a creative reading of set theory, offering a new understanding of what it means to be human by promoting an intelligence of change. Badiou's philosophical system makes our capacity for revolution and novelty central to who we are and develops an ethical position that aims to make us less anxious about this very capacity. This book presents a comprehensive and engaging account of Badiou's philosophy, including an in-depth discussion of *The Theory of the Subject*, *Being and Event*, and *Logics of Worlds*. In a clear and careful analysis, Ed Pluth considers exactly how Badiou's theoretical anti-humanism is linked up to what is, for all intents and purposes, a practical humanism. Central to this is an account of Badiou's theory of the subject and his attempt to develop an ethic of truths. The role of set theory, Marxism, and Lacanian psychoanalysis in Badiou's philosophy is also given close attention. This book will be of interest to students and scholars of philosophy as well as to all those keen to develop a critical understanding of one of the most controversial and important thinkers of the twentieth century.

*Alain Badiou* Jason Barker, 2002 Alain Badiou is rapidly emerging as one of the most radical and influential philosophers of our time. Badiou opposes the contemporary reduction of philosophy to nothing but a matter of language and premature announcements of the end of philosophy and thus sets himself against both analytic and continental modes of philosophy. Setting the traditional platonic concerns of philosophy (truth and being) against the modern sophists of postmodernism, Badiou has articulated a powerful systematic philosophy with profound ethical and political consequences.

**Rhapsody For The Theatre** Alain Badiou, 2013-12-17 For Alain Badiou, theatre, unlike cinema, is the place for the staging of a truly emancipatory collective subject. In this sense, theatre is of all the arts the one strictly homologous to politics: both theatre and politics depend on a limited set of texts or statements collectively enacted by a group of actors or militants, which puts a limit on the excessive power of the state. This explains why the history of theatre has always been inseparable from a history of state repression and censorship. This definitive collection includes not only Badiou's pamphlet *Rhapsody for the Theatre* but also essays on Jean-Paul Sartre on the political destiny of contemporary theatre and on Badiou's own work as a playwright, as author of the *Ahmed Tetralogy*.

*La Philosophie Et L'événement* Alain Badiou, Fabien Tarby, 2010 **La philosophie d'Alain Badiou** Fabien Tarby, 2005-12-01 L'œuvre en devenir d'Alain Badiou est l'objet d'un intérêt grandissant en France, aussi bien qu'en Europe et aux États-Unis. Badiou construit une science de l'être s'appuyant

sur les développements de la théorie mathématique des ensembles Mais il est aussi le penseur de ces virements qui font de l'homme un être capable d'une vie authentique et engagée Qu'apporte donc Badiou par rapport Deleuze ou Derrida Comment accomplir le projet de Heidegger tout en destituant son romantisme

Pocket Pantheon Alain Badiou, 2016-09-13 Pocket Pantheon is an invitation to engage with the greats of postwar Western thought such as Lacan Sartre and Foucault in the company of one of today's leading political and philosophical minds Alain Badiou draws on his encounters with this pantheon his teachers opponents and allies to offer unique insights into both the authors and their work These studies form an accessible authoritative distillation of continental theory and a capsule history of a period in Western thought

**Homme, femme, philosophie** Alain Badiou, Barbara Cassin, 2019-10-09 Alain Badiou est platonicien plutôt platonicien Barbara Cassin est sophiste plutôt sophiste Cela a-t-il quelque chose à voir avec le fait qu'il soit un homme et qu'elle soit une femme Telle est la question que nous nous posons depuis longtemps Depuis que nous nous connaissons en somme et que nous avons commencé à travailler ensemble comme directeurs de collection un moment donné nous avons pris cette question à bras le corps C'est venu peut-être d'une remarque notre propos disant que un platonicien

Ahmed the Philosopher Alain Badiou, 2014-04-29 English speaking readers might be surprised to learn that Alain Badiou writes fiction and plays along with his philosophical works and that they are just as important to understanding his larger intellectual project In Ahmed the Philosopher Badiou s most entertaining and accessible play translated into English here for the first time readers are introduced to Badiou s philosophy through a theatrical tour de force that has met with much success in France Ahmed the Philosopher presents its comic hero the treacherous servant Ahmed as a seductively trenchant philosopher even as it casts philosophy itself as a comic performance The comedy unfolds as a series of lessons with each short play or sketch illuminating a different Badiouian concept Yet Ahmed does more than illustrate philosophical abstractions he embodies and vivifies the theatrical and performative aspects of philosophy mobilizing a comic energy that exposes the emptiness and pomp of the world Through his example the audience is moved to a living engagement with philosophy discovering in it the power to break through the limits of everyday life

**Abrégé de métapolitique** Alain Badiou, 2014-02-25T00:00:00+01:00

Une exigence fondamentale de la pensée contemporaine est de finir avec la philosophie politique. Qu'est-ce que la philosophie politique ? Son opération centrale est de ramener la politique à l'exercice du libre jugement et de la discussion dans un espace public où ne comptent en définitive que les opinions. On sait que bien avant d'être arendtien ou kantien, le thème de l'opposition irréductible de la vérité et de l'opinion est platonicien. Ce qui, en revanche, n'est pas platonicien est l'idée que la politique serait ainsi éternellement vouée à l'opinion éternellement disjointe de toute vérité. Sauf pour qui pense que le commentaire de bistrot ou la conversation entre amis constitue l'essence même de la vie politique, il est en effet clair que le conflit des opinions n'est politique qu'autant qu'il se cristallise dans une décision. La question d'une possible vérité politique doit alors être examinée non du seul point de la discussion mais dans le processus complexe qui noue la discussion à la décision.
