*Philosophy Here and Now* Lewis Vaughn, 2013-06 *Philosophy Here and Now Powerful Ideas in Everyday Life* International Edition is a hybrid text reader that helps students understand appreciate and even do philosophy

My Search for Meaning Laurence C Jeffrey, 2024-11-04 The text *My search for meaning* was inspired by the author's early curiosity about life's meaning and his reflection on several worldly experiences traversing the continents of North and South America Europe Asia and Africa His interest in and studies of western academic philosophy provides the schema that brings to light the crux of his discovery and the text is intended to share with the reader the author's understanding of life The author hopes that by reading this text it would inspire others to explore philosophical ideas in a broader context

**Love in Interpretation** Bryant K. Owens, 2019-02-28 Dr Bryant K Owens presents the argument of the value of the Christian tradition of *caritas* or love from the philosophy and the subsequent hermeneutic of Saint Augustine of Hippo 354-430 within contemporary philosophical scholarship Dr Owens's study of Augustine's investigations into biblical interpretation will reveal that he sought the beauty of understanding as evidenced through *caritas* The shift in the Western philosophical tradition during the Enlightenment period resulted in a solid break from authority based hermeneutics to the autonomy of the mind The result was a greater emphasis on the literal meaning of a text as gleaned from the subjective mind of the reader and through grammatical and historical criticism over the spiritual meaning of the text or application of the greater meaning to Christian living Dr Owens proposes that the benefits of Augustine's *caritas* as the a priori spirit of the biblical text and the proper application of that spirit in contemporary scholarship should be the epistemological focus of hermeneutics rather than the emphasis on method prevalent from Spinoza to Dilthey The concluding value from Augustine's hermeneutic is that *caritas* is a product of understanding while at the same time is the method or means by which *caritas* is produced Therefore Augustine's hermeneutic argues that the sense or spirit of Scripture is *caritas* and is the truth to which all Christian philosophy must cohere
