**Plutopia** Kate Brown, 2013-03-15 While many transnational histories of the nuclear arms race have been written Kate Brown provides the first definitive account of the great plutonium disasters of the United States and the Soviet Union In Plutopia Brown draws on official records and dozens of interviews to tell the extraordinary stories of Richland Washington and Ozersk Russia the first two cities in the world to produce plutonium To contain secrets American and Soviet leaders created plutopias communities of nuclear families living in highly subsidized limited access atomic cities Fully employed and medically monitored the residents of Richland and Ozersk enjoyed all the pleasures of consumer society while nearby migrants prisoners and soldiers were banned from plutopia they lived in temporary staging grounds and often performed the most dangerous work at the plant Brown shows that the plants segregation of permanent and temporary workers and of nuclear and non nuclear zones created a bubble of immunity where dumps and accidents were glossed over and plant managers freely embezzled and polluted In four decades the Hanford plant near Richland and the Maiak plant near Ozersk each issued at least 200 million curies of radioactive isotopes into the surrounding environment equaling four Chernobyls laying waste to hundreds of square miles and contaminating rivers fields forests and food supplies Because of the

decades of secrecy downwind and downriver neighbors of the plutonium plants had difficulty proving what they suspected that the rash of illnesses cancers and birth defects in their communities were caused by the plants radioactive emissions Plutopia was successful because in its zoned off isolation it appeared to deliver the promises of the American dream and Soviet communism in reality it concealed disasters that remain highly unstable and threatening today An untold and profoundly important piece of Cold War history Plutopia invites readers to consider the nuclear footprint left by the arms race and the enormous price of paying for it *Venetian Romance* Cait Wrexham,2014-08-03 Loveday Browne is about to embark on the adventure of a lifetime she is off to Venice as companion and chaperone to the young Signorina Bianca Falleri who is returning to her Palazzo on the Grand Canal If it were not for the presence of Mr Alexander irritatingly sophisticated man of the world Venice would be a paradise But Loveday is convinced that Mr Alexander plans to marry Bianca for her money and she is determined that his plan shall fail Cait Wrexham s historical novels have appeared in many editions under different pseudonyms Favourites with library borrowers they are now being re issued for the first time as as affordable paperbacks **Amanda Cadabra and The Nightstairs** Holly Bell,2022-11-12 Should you tread softly Four strangers one missing dog and a body But Sunken Madley is just a quaint peaceful English village What does the 1000 year old ruined priory have to do with it The answer as it so often does lies in the past Detective Inspector Trelawney is fast exhausting the normal options Only covert witch Amanda with her grumpy feline familiar has the means to step back 500 years infiltrate the monastery and discover the truth Back they must go a fateful decision to shape history a murder on hallowed ground and a deadly secret Will Amanda and Tempest survive the perilous past and help solve the mystery in the present before the killer strikes again Delightful Fun and funny This is my first experience with Holly Bell and as a dog person I never thought I d fall so deeply in love with a cat Tempest I honestly could NOT get enough of him The entire story is fun though a wonderfully clean mystery packed with danger intrigue and yes murders I was enchanted a very fitting emotion for a quaint and often hilarious journey with a lovable witch and her even more lovable familiar International Review of Books Kept me guessing until the end What a wonderful story Lots of good stories woven together **Psychoanalysis and Literature** , Marilyn Charles,2015-03-25 Psychoanalysis offers many concepts that are extremely useful clinically but not always accessible in the original In Psychoanalysis and Literature The Stories We Live Marilyn Charles pairs case vignettes with examples from literature to highlight the essential human struggles that play out in the consulting room This pairing depathologizes those struggles and offers a conceptual framework that can help the clinician facilitate these journeys of discovery Describing first how literature affords an opportunity for vicarious engagement with struggles endemic to the human condition she then focuses on trauma dreams and cultural collisions turning more explicitly to the developmental challenges of identity relatedness aging and generativity Psychoanalysis and Literature is accessible relevant and timely **The Ephemeral Civilization** Graeme Snooks,2002-09-11 The Ephemeral Civilization is an astonishing intellectual feat in which Graeme
