Hydraulics of Pipeline Systems Bruce E. Larock, Roland W. Jeppson, Gary Z. Watters, 1999-09-28 The first of its kind this modern comprehensive text covers both analysis and design of piping systems The authors begin with a review of basic hydraulic principles with emphasis on their use in pumped pipelines manifolds and the analysis and design of large pipe networks After the reader obtains an understanding of how these principles are implemented in computer solutions for steady state problems the focus then turns to unsteady hydraulics These are covered at three levels Assessing Highway Tolling and Pricing Options and Impacts Benjamin Gerry Perez, Tiffany Batac, Petr Samuilovich Vovsha, 2012 TRB's National Cooperative Highway Research Program NCHRP Report 722 Assessing Highway Tolling and Pricing Options and Impacts provides state departments of transportation DOTs and other transportation agencies with a decision making framework and analytical tools that describe likely impacts on revenue generation and system performance resulting from instituting or modifying user based fees or tolling on segments of their highway system Volume 2 Travel Demand Forecasting Tools provides an in depth examination of the various analytical tools for direct or adapted use that are available to help develop the forecasts of potential revenue transportation demand and congestion and system performance based on tolling or pricing changes Volume 1 Decision Making Framework includes information on a decision making framework that may be applied to a variety of scenarios in order to understand the potential impacts of tolling and pricing on the performance of the transportation system and on the potential to generate revenue to pay for system improvements Publication information

New Statesman Society, 1989 **FCC Record** United States. Federal Communications Commission, 1989 Energy Research Abstracts, 1992 *The South African Shipping News and Fishing Industry Review*, 1990 **Regulation and Finance in the Port Industry** Claudio Ferrari, Hercules Haralambides, Sergio Prete, Alessio Tei, 2022-01-28 This book addresses the latest organizational regulatory and governance issues of main port systems linking them to the financial aspects that are currently in use regarding investments in the port industry A general review of port management and operations is complimented by analysis of country specific systems and a look at how ports could develop in the future This book aims to examine how different port organizational and regulatory contexts affect port investment practices and related financial tools The book is of use to researchers and practitioners interested in maritime economics and transportation studies **Commercial Law Reports 1997**, 2012 *BRICS and Resistance in Africa* Justin van der Merwe, Patrick Bond, Nicole Dodd, 2019-10-15 Though initially considered a welcome counterweight to Western interest across Africa the BRICS are increasingly being viewed as another example of foreign interference and exploitation BRICS and Resistance in Africa explores the varied forms of African resistance being developed in response to the growing influence of the BRICS Its case studies cover such instances as the opposition to China's One Belt One Road initiative in East Africa resistance to the BRICS oil activities in the Niger Delta and the role of the BRICS in Zimbabwe's political transition The contributors expose

the contradictions between the group's rhetoric and its real impact as well as the complicity of local elites in serving as proxies for the BRICS nations By challenging and expanding the debates surrounding BRICS involvement in Africa this collection offers new insight into resistance to globalization in the global South Uncaptured Mosilo Mothepu, 2021-04-01 When Mosilo Mothepu was appointed CEO of Trillian Financial Advisory a subsidiary of Gupta linked Trillian Capital Partners in March 2016 the prospect of being at the helm of a black owned financial consultancy was electrifying for a black woman whose twin passions were transformation and empowering women Three months later suffering from depression and insomnia she resigned with no other job lined up In October 2016 a written statement handed to Public Protector Thuli Madonsela detailing Trillian's involvement in state capture was leaked to the media Key to the disclosures were the removals of finance ministers Nhlanhla Nene and Pravin Gordhan from their posts due to the Gupta's influence Although she was not identified by name as the source of the affidavit details of the revelations published in the Sunday Times left no doubt in the minds of Trillian's executives Mothepu was the Nenegate whistleblower Despite fearing legal consequences Mothepu had decided that she could not just stand by as the country burnt Her disclosures resulted in the freezing of Trillian associated company Regiments Capital's assets and a High Court order for Trillian to pay back almost R600 million to Eskom Facing criminal charges and bankruptcy unemployed and deemed a political risk Mothepu experienced first hand the loneliness of whistleblowing The effect on her mental and physical health was devastating Now in Uncaptured she recounts this troubling yet seminal chapter in her life with honesty humility and wry humour in the hope that others who find themselves in a similar situation will follow in her footsteps and speak truth to power **Unlocking Land Values to Finance Urban**

Infrastructure George E. Peterson, 2009 Land based financing of urban infrastructure is growing in importance in the developing world Why is it so difficult to finance urban infrastructure investment when land values typically increase by more than the cost of investment Unlocking Land Values to Finance Urban Infrastructure examines the theory underlying different instruments of land based finance such as betterment levies developer exactions impact fees and the exchange of publicly owned land assets for infrastructure It provides a wealth of case study illustrations of how different land based financing tools have been implemented and the lessons learned from these experiences This practical guide is designed to help expand the role of land based financing in urban capital budgets in a way that strengthens urban infrastructure finance and urban land markets *Suid-Afrikaanse Hofverslae*, 2014 *SEC Docket* United States. Commission, 2014 **Contemporary South Africa and the Political Economy of Regional Development** Methembe Mdlalose, Isaac Khambule, Nene Ernest Khalema, 2025-02-21 South Africa's struggle in balancing its domestic needs while playing a dynamic developmental role in the African region and global context exposes a complex web of relations shaped by its geostrategic location on the continent and the world and the staggering legacies of colonialism and apartheid As such understanding the complexities of the global economy and of South Africa's place in it is of great importance This book builds

upon an existing body of literature which has demonstrated that while the post apartheid South African state has recast its nation building goals with advances having been made notably in the area of a stellar post apartheid constitution policy directives and democratic political integration economic integration and policy implementation presents a projection of captured interests where big business concerns are entrenched in the post apartheid state s apparent neo liberal turn The main focus of the book is to contextualise issues relating to three main trends in global discourses on development which are significant for South Africa and indeed for the study of the political economy of regional development in the country from the prism of South Africa as a global capitalist state These trends include the impact of globalisation regionalisation and the marginalisation of South Africa and indeed the African continent in the global economy thus unpacking the possible role that South Africa might play in regional development This volume will be a valuable resource to academics researchers and students in the fields of regional studies economics and political theory as well as policymakers planners and local economic development practitioners
