Database and Expert Systems Applications Abdelkader Hameurlain,Rosine Cicchetti,Roland Traunmüller,2003-08-02 the
2002 DEXA the 13 International Conference on Database and Expert Systems Applications was held on September 2-6 2002
at the Universit Aix Marseille II France The quickly growing field of information systems required the establishment of more
specialized discussion platforms the DaWaK conference EC Web conference eGOV conference and DEXA workshops and
there were held in parallel with DEXA also in Aix en Provence The resulting book was prepared with great effort Starting
with the preparation of submitted papers the papers went through the reviewing process The accepted papers were revised
to final versions by their authors and arranged to the conference program This year 241 papers were submitted and our
thanks go to all who have contributed The program committee and the supporting reviewers produced altogether about 730
referee reports on average three reports per paper and selected 89 papers for presentation The papers presented here
encompass the extensive domain of databases together with the other conferences and workshops of the DEXA event cluster
a vast part of applied computer science was covered In this way DEXA has blazed the trail At this point we would like to
acknowledge to all institutions which actively supported this conference and made it possible These are IUT Universit Aix
