Brown,Theresa Jarnagi Enos,2005-04-11 The role of the writing program administrator is one of diverse activities and challenges and preparation for the position has traditionally come through performing the job itself As a result uninitiated WPAs often find themselves struggling to manage the various requirements and demands of the position and even experienced WPAs often encounter situations on which they need advice The Writing Program Administrator s Resource has been developed to address the needs of all WPAs regardless of background or experience It provides practical applicable tools to effectively address the differing and sometimes competing roles in which WPAs find themselves Readers will find an invaluable collection of articles in this volume addressing fundamental practices and issues encountered by WPAs in their workplace settings and focusing on the hows and whys of writing program administration With formal preparation and training only now beginning to catch up to the very real needs of the WPA this volume offers guidance and support from authoritative and experienced sources educators who have established the definitions and standards of the position who have run into obstacles and surmounted them and who have not just survived but thrived in their roles as WPAs Editors Stuart C Brown and Theresa Enos contribute their own experience and bring together the voices of their colleagues to delineate the intellectual scope and practices of writing program administration as an emerging discipline Established and esteemed leaders in the field offer insights advice and plans of action for the myriad scenarios encountered in the position encouraging WPAs and helping them to realize that they often know more than they think they do This resource is required reading for the new WPA and an essential reference for all who serve in the WPA role As a guidebook for WPAs it is destined to become a fixture on the desk of every educator involved with or interested in administrating writing programs writing centers and writing across the curriculum efforts Income Statistics Needed in Poverty and Youth Employment Programs ,1964 *Resources in Education* ,1982-04 **Language Endangerment and**

Language Revitalization Tasaku Tsunoda, 2013-02-06 In almost every part of the world minority languages are threatened with extinction At the same time dedicated efforts are being made to document endangered languages to maintain them and even to revive once extinct languages The present volume examines a wide range of issues that concern language endangerment and language revitalization Among other things it is shown that languages may be endangered to different degrees endangerment situations in selected areas of the world are surveyed and definitions of language death and types of language death presented The book also examines causes of language endangerment speech behaviour in a language endangerment situation structural changes in endangered languages as well as types of speakers encountered in a language endangerment situation In addition methods of documentation and of training for linguists are proposed which will enable scholars to play an active role in the documentation of endangered languages and in language revitalization The book presents a comprehensive overview of the field It is clearly written and contains ample references to the relevant literature thus providing useful guidance for further research The author often draws on his own experience of documenting endangered languages and of language revival activities in Australia The volume is of interest to a wide readership including linguists anthropologists sociologists and educators

Broadcasting the Faith Michael E. Pohlman, 2021-02-02 Broadcasting the Faith tells the riveting story of the American church's embrace of radio in the early decades of the twentieth century By investigating major radio personalities like Walter Maier Aimee Semple McPherson Harry Emerson Fosdick and Charles Fuller this study considers the implications for theology in America when Christianity moved to the airwaves In the heyday of radio religious radio preachers sought to use their programs to counter the secularization of American culture Ultimately however their programs contributed to secularization by accelerating changes already evident in both the conservative and liberal streams of American Christianity To reach a vast American audience radio preachers transformed their sectarian messages into a religion more suitable to the masses thereby altering the very religion it aimed to preserve To make religion accessible to large and diverse audiences radio preachers accommodated their messages in ways suited to the medium of radio Although religious radio preachers set forth to advance the influence of religion in American society their choice to limit theological substance ironically promoted the secularization of the American church

Perspectives of Mutual Encounters in South Asian History Jamal Malik, 2000 The reciprocal relationship between colonialists and the colonised people of India during the crucial period from 1760 to 1860 provides fascinating study material This edited volume explores cultural colonialism by focussing on the ambivalent processes of reciprocal perceptions

The Scientific Foundation of Neuropsychological Assessment Elbert Russell, 2011-12-12 Neuropsychology is a specialized branch of psychology which focuses on the relationship between the brain and human functions including cognition behaviour and emotion With an emphasis on a scientific approach which includes analysing quantitative data neuropsychology follows an information processing approach to brain activity using standard assessments to evaluate various

mental functions This book examines the standardized battery of tests in neuropsychology with a particular focus on forensic applications of these tests suggesting that a united theory of assessment needs to be established Bringing together multiple articles related to forensic neuropsychology this book offers an exploration of the neurological and psychometric theoretical basis for standardized batteries as well as a comparison between flexible and standardized batteries Ultimately it is argued that a standardized battery of tests need to be used and explains the justification for the reliability of this approach especially in relation to expert witness testimony While doing this formal procedures including advanced mathematical procedures such as formulas and decision tree algorithms are presented to be utilized in assessments With its thorough examination of the theoretical and practical applications of a standardized battery in neuropsychological assessment this book will prove helpful to clinical practitioners and attorneys using assessment for their cases Provides a unified theoretical basis for a standardized neuropsychological assessment battery Shows the justification for using neuropsychological assessment in forensic applications Offers practical examples which can be used to create a standardized assessment battery
