Be specific and don't forget your audience! Your paper should create and satisfy your readers' curiosity. It should be easy to read with no gaps or awkward transitions.

#### Section 1: How We Chose Our Topic

*This section explains why you chose your particular topic.*

#### Section 2: How We Conducted Our Research

*This section gives a detailed explanation of the steps that were taken to research your topic. Be sure to include specific details about the resources that you used. ( For example, did you go to the library, use the Internet, interview a relative, watch a documentary, etc?)*

#### Section 3: How We Created and Developed Our Exhibit (Documentary, Performance etc.)

*This section explains why you chose your particular project category (exhibit, website, etc.) and it gives detailed information about the steps that were taken to make your project.*

#### Section 4: How Our Project Relates to the Theme

*This section explains how your topic relates to the theme " The Individual in History".*
