## Writing Topic Sentences

**Directions:** Write a broad topic. Write a limited topic. Write a topic sentence for the the limited topic.

Paragraphs are groups of sentences organized around a common topic. A paragraph should begin with a topic sentence. A topic sentence, which is always complete, states the point of the paragraph directly. It is not a title, or an explanation of what the writer is going to write. The topic sentence should focus the reader's attention on the points the writer is trying to make in the paragraph.
