how carefully scaffolded professional development for faculty teams can help make such change possible This book is a powerful demonstration of how faculty members can be empowered when professional development leaders draw on a range of scholarship that is not typically connected In today s climate courses programs and institutions are often assessed by and rewarded for proxy metrics that have little to do with learning with grave consequences for students The stakes have never been higher particularly for public higher education Faculty members need opportunities to work together using their own expertise and to enact meaningful learning opportunities for students Professional developers have an important role to play in such change efforts WAC scholars and practitioners leaders of professional development and centers for teaching excellence program administrators and curriculum committees from all disciplines and faculty innovators from many fields will find not only hope but also a blueprint for action in Changing Conceptions Changing Practices Contributors Juan Carlos Albarr n Jos Amador Annie Dell Aria Kate de Medeiros Keith Fennen Jordan A Fenton Carrie E Hall Elena Jackson Albarr n Erik N Jensen Vrinda Kalia Janice Kinghorn Jennifer Kinney Sheri Leafgren Elaine Maimon Elaine Miller Gaile Pohlhaus Jr Jennifer J Quinn Barbara J Rose Scott Sander Brian D Schultz Ling Shao L James Smart Pepper Stetler

Deleuze and the Schizoanalysis of Visual Art Ian Buchanan, Lorna Collins, 2014-07-31 The concept of schizoanalysis is Deleuze and Guattari s fusion of psychoanalytic inspired theories of the self the libido and desire with Marx inspired theories of the economy history and society Schizoanalysis holds that art s function is both political and aesthetic it changes perception If one cannot change perception then one cannot change anything politically This is why Deleuze and Guattari always insist that artists operate at the level of the real not the imaginary or the symbolic Ultimately they argue there is no necessary distinction to be made between aesthetics and politics They are simply two sides of the same coin both concerned with the formation and transformation of social and cultural norms Deleuze and the Schizoanalysis of Visual Art explores how every artist good or bad contributes to the structure and nature of society because their work either reinforces social norms or challenges them From this point of view we are all artists we all have the potential to exercise what might be called a aesthetico political function and change the world around us or conversely we can not only let the status quo endure but fight to preserve it as though it were freedom itself Edited by one of the world s leading scholars in Deleuze Studies and an accomplished artist curator and critic this impressive collection of writings by both academics and practicing artists is an exciting imaginative tool for a upper level students and academics researching and studying visual arts critical theory continental philosophy and media
