

ESSAY ABOUT MYSELF EXAMPLE

I am Charles Langley and I want to be admitted in the Physics program.

I can't wait to be in college. College is fun according to my brother who attended XXX University. I want to attend XXX University because of him. It seems that college is fun every time I listen to my brother's story about college. He is my inspiration because he shows me that I can be whoever I want and supports me no matter what. I am happy every time he is around. I do my best in class so that I'll be admitted to college to be with my brother because he's so cool. I want to experience fun too that is why I want to be admitted to the Physics program of this university.

I am very interested in Physics since high school and even attended science fairs. My grades are okay but I wish to improve it in the university. My goal is to be a physicist and to impart my knowledge of other people. I think I am qualified to be admitted to the program so please consider my application.

If you want to know about my accomplishments, here it is. I am an athlete and my team participated in the State championships last year. I am also a part of my high school's performing arts club and I participated in a lot of plays. My brother would be very happy if I can get in.
