### Essay: Should smoking be made illegal?

You have listened to a radio programme about the impact of smoking on people's health. Now, your English teacher has asked you to write an essay.

Write an essay using all the notes and give reasons for your point of view.

Smoking is responsible for many health problems throughout the world .  
Do you think it should be made illegal?

#### Notes

1. Write about:
2. lung cancer
3. passive smoking
4. ....(your own idea)

### FCE - Do you think smoking should be made illegal?

Isn't it shocking to see young people smoking even before they are 18 years of age? Smoking during teenage years is very dangerous. Not only will it affect their health, but it might also create a lifelong dependency.

On the one hand, the most dangerous disease caused by tobacco is lung cancer. Someone who has been smoking for a long time has a high probability of contracting lung cancer, much higher than that of a person who has never smoked before. However, certainly, not every person who smokes dies of lung cancer.

On the other hand, we have the situation of passive smokers. They have decided not to smoke. Still, they are suffering the negative effects of having to breathe the smoke coming from cigarettes. To make matters worse, not only adults are exposed to passive smoking, but children as well. For this reason, they can be affected by diseases caused by tobacco, such as asthma, chronic cough, etc.

In conclusion, I believe that it is not necessary to make tobacco illegal because, in the end, each person will decide what to do with their life. However, under no circumstances should we allow active smokers to smoke anywhere near non-smokers.
