

# Explanations

## Purpose

The writer's purpose is to explain how something works or state reasons for some phenomenon.

Explanations answer the questions "how" or "why".

## Types of Explanation

There are two basic types of explanation which focus on:

- "How"
  - How does a pump work?
  - How does a computer work?
  - How are mountains formed?
  - How does a spider spin a web?
- "Why"
  - Why do some things float or sink?
  - Why is the ozone layer getting thinner?
  - Why does iron go rusty?
  - Why do living things need food?

Elementary school teacher      *Writing Out of Limbo* Nina Sichel, Elaine Neil Orr, Faith Eidse, 2011-09-22 Crossing borders and boundaries, countries and cultures, they are the children of the military, diplomatic corps, international business, education, and missions communities. They are called Third Culture Kids or Global Nomads, and the many benefits of their lifestyle, expanded worldview, multiplicity of languages, tolerance for difference, are often mitigated by recurring losses of relationships, of stability, of permanent roots. They are part of an accelerating demographic that is only recently coming into visibility. In this groundbreaking collection, writers from around the world address issues of language acquisition and identity formation, childhood mobility and adaptation, memory and grief, and the artist's struggle to articulate the experience of growing up global. And woven like a thread through the entire collection runs the individual's search for belonging and a place called home. This book provides a major leap in understanding what it's like to grow up among worlds. It is invaluable reading for the new global age.

*Writing in Sociology* Mark Edwards, 2014-08-07 With humor and empathy, Mark Edwards's handbook provides undergraduate and early career graduate students guidance in sociological writing of all kinds. *Writing in Sociology* offers unusual approaches to developing ideas into research questions, utilizing research literature, constructing research papers, and completing different kinds of course writing, including case studies, theory papers, and applied social science projects. New chapters in the Second Edition offer insights into giving and receiving effective peer review and presenting qualitative research results. By focusing on how to think about the goals and strategies implicit in each section of a writing project, this book provides accessible advice to novice sociological writers.

*Nonfiction Writing Power* Adrienne Gear, 2014-02-17 Writing nonfiction is a key skill that students will need throughout their school lives and beyond. This remarkable book is designed to help teachers develop a writing program that will enable their students to harness all of their *Nonfiction Writing Powers* to Describe, to Instruct, to Compare, to Persuade, to Explain, and to Report. It illustrates ways to encourage students to write because they have something to say and to recognize that writing well means considering intent and purpose and choosing the best form of expression. Ideal for teaching writing in the content areas, the book includes guidance on linking writing forms to Science, Social Studies, and other subject areas.
