Steps for Case Study Solution Analysis:

1. Introduction of Elite Personal Training Case Solution

The Elite Personal Training case study is a Harvard Business Review case study, which presents a simulated practical experience to the reader allowing them to learn about real life problems in the business world. The Elite Personal Training case consisted of a central issue to the organization, which had to be identified, analysed and creative solutions had to be drawn to tackle the issue. This paper presents the solved Elite Personal Training case analysis and case solution. The method through which the analysis is done is mentioned, followed by the relevant tools used in finding the solution.

The case solution first identifies the central issue to the Elite Personal Training case study, and the relevant stakeholders affected by this issue. This is known as the problem identification stage. After this, the relevant tools and models are used, which help in the case study analysis and case study solution. The tools used in identifying the solution consist of the SWOT Analysis, Porter Five Forces Analysis, PESTEL Analysis, VRIO analysis, Value Chain Analysis, BCG Matrix analysis, Ansoff Matrix analysis, and the Marketing Mix analysis. The solution consists of recommended strategies to overcome this central issue. It is a good idea to also propose alternative case study solutions, because if the main solution is not found feasible, then the alternative solutions could be implemented. Lastly, a good case study solution also includes an implementation plan for the recommendation strategies. This shows how through a step-by-step procedure as to how the central issue can be resolved.

ACSM's Resources for the Personal Trainer American College of Sports Medicine, 2013-03-22 ACSM's Resources for the Personal Trainer provides a broad introduction to the field of personal training covering both basic science topics and practical application. It was originally designed to help people prepare for the ACSM Personal Training Certification Exam. It continues to serve that function but the market for it has expanded to practitioners in the field looking for an additional resource as well as in an academic setting where the book is a core text for personal training programs. *ACSM's Certification Review* Pete Magyari, American College of Sports Medicine (ACSM), 2021-08-12 Reflecting the authoritative expertise of the American College of Sports Medicine, ACSM's Certification Review 6th Edition prepares users to successfully pass certification exams and become an ACSM Certified Personal Trainer, ACSM CPT, ACSM Certified Exercise Physiologist, ACSM EP, or ACSM Certified Clinical Exercise Physiologist, ACSM CEP. This easy-to-use review combines career-specific information with assessment tools and application-based exercises to boost test-taking confidence and help users ensure a seamless transition to practice. Content in this 6th Edition has been updated to align with the latest edition of ACSM's Guidelines for Exercise Testing and Prescription and reorganized to strengthen connections between the material users will encounter on their exams and how they will apply that knowledge in practice. *ACSM's Certification Review* ACSM, 2013-02-01 ACSM's Certification Review is the ultimate resource to help you pass the exam to become a Certified Personal Trainer, CPT, Certified Health Fitness Specialist, HFS, or Certified Clinical Exercise Specialist, CES. Highlights include Case studies that reinforce concepts organized by KSA domains, Practice Exams that contain questions for each certification level, Job Task Analysis tables that provide breakdowns of all the KSAs by certification level and domain. **Case Studies in Winning Negotiations** Gerard Assey, 2024-08-25 Case Studies in Winning Negotiations is your essential guide to mastering the art of negotiation across various industries. This book dives deep into real-world scenarios, offering detailed case studies from sectors such as B2B, B2C retail, and government.
