 Pilot Training Manual For The Skymaster C-54 United States. Army Air Forces,2018-09-15 This Manual is the text
for your training as a C 54 pilot and airplane commander The Air Forces most experienced training and supervisory
personnel have collaborated to make it a complete exposition of what your pilot duties are how each duty will be performed
and why it must be performed in the manner prescribed The techniques and procedures described in this book are standard
and mandatory In this respect the manual serves the dual purpose of a training checklist and a working handbook Use it to
make sure that you learn everything described herein Use it to study and review the essential facts concerning everything
taught Such additional self study and review will not only advance your training but will alleviate the burden of your already
overburdened instructors This training manual does not replace the Technical Orders for the airplane which will always be
your primary source of information concerning the C 54 Air carrier operations inspector's handbook United States.
