It is a comprehensive resource that will benefit both students and researchers who want to further their understanding in this discipline. The field of remote sensing has quadrupled in size in the past two decades and increasingly draws in individuals working in a diverse set of disciplines ranging from geographers, oceanographers and meteorologists to physicists and computer scientists. Researchers from a variety of backgrounds are now accessing remote sensing data creating an urgent need for a one stop reference work that can comprehensively document the development of remote sensing from the basic principles, modeling and practical algorithms to various applications. Fully comprehensive coverage of this rapidly growing discipline giving readers a detailed overview of all aspects of Remote Sensing principles and applications. Contains Layered content with each article beginning with the basics and then moving on to more complex concepts. Ideal for advanced undergraduates and academic researchers. Includes case studies that illustrate the practical application of remote sensing principles further enhancing understanding.      Universal Manual of Ready Reference Henry Woldmar Ruoff, 1904

**Book of Answers for a Young CEO** Debasish Sahoo, 2007-08 When asked about the qualities needed to be an effective CEO, the answers are to me quite basic: Respect for and ability to get along with many different kinds of people including those that do not share your views. The will to honor promises that one makes to his family and the understanding that work and home life must be balanced. Gerard J Arpey CEO American Airlines: Be positive about challenges you encounter for no matter how successful you are you will encounter them. William Clay Ford Chairman and CEO Ford Motor Company: In the real world leaders are rarely faced with a simple choice between right and wrong. Leaders can't avoid ambiguity but must learn to be decisive in spite of it. Sy Sternberg CEO New York Life: I think anyone willing to work hard for their goals learns from their mistakes and care about others has the makings to become a wonderful leader. Gary Kelly CEO Southwest Airlines: Find the right people and the right information to help you get the job done. Ronald A Williams CEO Aetna: Understand opportunities don't come in an envelope labeled opportunities create value be honest have a vision work hard. Edward Zore CEO Northwestern Mutual: Success requires envisioning embracing and driving change. The only way to turn potential into higher levels of achievements is to continuously change. Susan M Ivey CEO Reynolds American: Surround yourself with people smarter than you. People make it happen and great people are necessary to make any idea come alive. Maggie Wilderotter CEO Frontier Communications: I believe hard work dedication and the willingness to take calculated risks not only in my personal life but in my career as well have contributed to my success. Have a passion for whatever you do.
