experiencing the healing stories of Jesus From his early years as a young college professor he sought to make sense of the growing interest in complementary and alternative medicine For seventeen years Bruce was a chaplain and professor at Georgetown University School of Medicine and was among the first to teach courses on spirituality and medicine at a major medical school While embracing Jesus healing ministry as a pastor professor reiki teacher and spiritual guide he has also wrestled with the meaning of Jesus healing ministry and God s role in healing and sickness in a personal way as a pastor friend child spouse and parent in hospital rooms hospices gravesides and healing services I have heard testimonies about the power of God to cure illness but I have also sat at the bedside of dying friends and congregants who have done everything right according to the principles of their faith traditions and philosophies personal and intercessory prayers positive thinking and affirmations meditation and diet complementary medical treatments and visits to faith healers and energy workers along with the best modern medicine has to offer in treatment and palliation says Bruce Each chapter includes a spiritual practice related to the healing story being considered that is easily shaped for the reader s personal and spiritual needs Rev Epperly also includes questions and spiritual practices for group study and spiritual formation at the end of the book Chapter titles include Transforming Faith Forgiveness and Healing Healing Takes Time Healing Broken Spirits A Healing Lifestyle Healing in a Pluralistic Age and God Why am I Sick

The Devil Is in the Details J Hamilton Weston, 2018-07-12 There are many countries today where Christians endure persecution on a massive scale Are we as children of God called to stand and be proactive Are we not to be involved until we are backed into a corner Then are we to be always reactive never on the offensive but always on the defensive Are we to look the other way and allow the adversary to make a foothold in the world How do you understand the Christian life and why These are

questions that need to be considered when truly evaluating your spiritual health Do you look forward to your time with the Lord or does it become a drudgery or obligation J Hamilton Weston Rev Weston challenges himself and us to acknowledge the detail inertia and others which has left us in the Church gliding through this life instead of reporting for duty as a member of God s Army Let us get up and be the servants He has called us to be and fulfill our mission in God s Kingdom
