The Gauntlet Karuna Riaz, 2018-03-27 When twelve year old Farah and her two best friends get sucked into a mechanical board game called The Gauntlet of Blood and Sand a puzzle game akin to a large Rubik s cube they know it is up to them to defeat the game s diabolical architect in order to save themselves and those who are trapped inside including her baby brother Ahmed **The Trouble with His Lordship's Trousers** Jayne Fresina, 2016-03-16 In Regency London Georgiana Hathaway has no intention of falling into the conventional trap of marriage and motherhood She has so much more to do with her life and a few tortuous years at The Particular Establishment for the Advantage of Respectable Ladies has done nothing to change her mind In fact she s already taken the first steps to carve out a career by anonymously crafting a scandalous satirical column called His Lordship s Trousers for her father s newspaper But as the misadventures of her comical rake become the most talked about story in London and the naughty column earns greater popularity it is also bound to gain

critics How much trouble can His Lordship's Trousers get her into She's about to find out Meanwhile Dead Harry Thrasher eagerly reads that wicked column every week It is one of the few things other than the obituaries that make him laugh out loud these days He lives vicariously through that fictional rake's antics because his own life is suspended in time and he sees no reason to move forward After all when a man's obituary has been printed in the newspaper not once but twice he has a tendency to believe it What's the point of a life over which man has no control What exactly has he been saved so many times for He's about to find out When Dead Harry meets Miss Hathaway they will both find their worlds and their long ingrained opinions at risk She does not want to fall in love with a man when everybody knows the male animal only gets in the way of a girl's ambitions And Harry may have survived a mortal wound and eight hundred and fifty days stranded alone on an uncharted island but can the very private life of this semi recluse survive the reckless curiosity and impertinent sauciness of Miss Georgiana Hathaway He's a naval war hero even if he does have an aversion to decent clothing and polite behavior so if this young woman thinks to conquer him and put his life in order she'd better have a battle strategy It's been a while since he enjoyed a skirmish at sea but Harry has a feeling he'll love every moment of this one
