Live Free or Die Lawfully: A devotional commentary on Galatians Joshua Wingerd, 2019-10-28 There are only two paths Freedom or Slavery Spirit or Flesh Faith or Law Blessing or Cursing Life or Death Which path are you on This is Paul's argument in the first letter he ever wrote under the Spirit's inspiration He wants his readers then and now to live in the path of freedom and life The Galatians had traded salvation by grace alone through faith alone for a gospel of works of Law Paul has some seemingly harsh words for them because to replace grace with anything else is to destroy the Gospel of Jesus Christ

Christ Freely Offered Ken Stebbins, 2020-10-26 Originally written in 1975 Ken Stebbins Christ Freely Offered is seen as one of the best defenses on the subject of the free offer of the gospel Tackling both scripture and the historical theological aspects Stebbins engages with many of the main individuals involved in this subject including Herman Hoeksema John Murray and Ned Stonehouse This edition has been slightly updated by Stebbins and will help readers come to a firm understanding of this subject as well as an insight into the decrees of God and the idea of Common Grace

A Legacy of Preaching: Two-Volume Set---Apostles to the Present Day Zondervan, 2018-12-11 A Legacy of Preaching Two Volume Set Apostles to the Present Day explores the history and development of preaching through a biographical and theological examination of its most important preachers Instead of teaching the history of preaching from the perspective of movements and eras each contributor tells the story of a particular preacher in history allowing these preachers from the past to come alive and instruct us through their lives theologies and methods of preaching Each chapter introduces readers to a key figure in the history of preaching followed by an analysis of the theological views that shaped their preaching their methodology of sermon preparation and delivery and an appraisal of the significant contributions they have made to the history of preaching This diverse collection of familiar and lesser known individuals provides a detailed and fascinating look at what it has meant to communicate the gospel over the past two thousand years By looking at how the gospel has been communicated over time and across different cultures pastors scholars and homiletics students can enrich their own understanding and practice of preaching for application today Volume One covers the period from the apostles to the Puritans and profiles thirty preachers including Origen of Alexandria by Stephen O Presley John Chrysostom by Paul A Hartog Augustine of Hippo by Edward L Smither Gregory the Great by W Brian Shelton Bernard of Clairvaux by Elizabeth Hoare Francis of Assisi by Timothy D Holder Saint Bonaventure by G R Evans Meister Eckhart by Daniel Farca John Huss by Mark A Howell Martin Luther by Robert Kolb John Calvin by Anthony N S Lane Jonathan Edwards by Gerald R McDermott John Wesley by Michael Pasquarello III George Whitefield by Bill Curtis and Timothy McKnight and many more Volume Two covers the period from the Enlightenment to the present day and profiles thirty one preachers including Catherine Booth by Roger J Green Charles Haddon Spurgeon by Thomas J Nettles Henry Ward Beecher by Michael Duduit John Albert Broadus by Hershael W York D L Moody by Gregg L Quiggle Billy Sunday by

A Case for Mixed-audience with Reference to the Warning Passages in the Book of Hebrews C. Adrian Thomas, 2008

A Case for Mixed Audience with Reference to the Warning Passages in the Book of Hebrews discusses the nature of the warnings in Hebrews and how these warnings relate to the theological question of the eternal security of believers The main argument is that these warnings are intended to target a particular segment of the author's community about whose appropriation of and subsequent attitude toward the Christian message he was deeply concerned That is to say while the book of Hebrews is addressed as a message of encouragement to the community as a whole its warnings are aimed at a certain element in the community whose salvation is threatened by a possible dangerous course of action The book implies that while the author is persuaded that the majority in the community are genuine believers there are some about whose salvation he doubts hence the case for a mixed audience What is threatened therefore is not a salvation already possessed but the salvation of those in danger of coming up short Theologically the work falls within the sphere of the Calvinistic Arminian debate regarding the assurance of salvation and the perseverance of the saints It argues strongly for the Calvinistic position but does so within the confines of the discipline of biblical studies and lends extensive exegetical support to the Calvinistic position on the warning passages The book is highly recommended for Bible College and seminary students and professors as well as pastors and lay leaders who must give answers to their parishioners on those tough warning passages in Hebrews

The Works of John Owen, D.D. John Owen, 1852 **John Owen** Ryan M. McGraw, 2017-08-18 This book is a thorough study of John Owen Owen has become recognized as one of the greatest Reformed theologians Great Britain ever produced as well as one of the most significant theologians of the Reformed orthodox period His theological interests were eclectic exegetically based and he sought to meet the needs of his times This volume treats key areas in Owen's thought including the Trinity Old Testament exegesis covenant theology the law and the gospel the nature of faith in relation to images of Christ and prolegomena The common theme tying them together is that John Owen helps us better understand the development and interrelationship of theology exegesis and piety in Reformed orthodox theology By setting him in his international and cross-confessional contexts the author seeks to use Owen as a window into the trajectory of Reformed orthodoxy in several key areas

The Works of John Owen: Church government John Owen, 1853 Freedom from Sin's Dominion John Owen, 2025-06-02 For sin shall not have dominion over you for you are not under law but under grace Romans 6:14 The heart will be ruled by something And we can be certain that sin's purpose is not to merely tempt people but to reign over their hearts Considering this John Owen helps us understand what it means for sin to have dominion and discern

whether it has such a mastery over us More significantly Owen points us to the power of grace to break sin's dominion and set up a dominion of its own Read Owen and learn to distinguish the rebellion of sin from the dominion of sin First published as *A Treatise of the Dominion of Sin and Grace* London 1688 Series Description Interest in the Puritans continues to grow but many people find reading these giants of the faith a bit unnerving This series seeks to overcome that barrier by presenting Puritan books that are convenient in size and unintimidating in length Each book is carefully edited with modern readers in mind smoothing out difficult language of a bygone era while retaining the meaning of the original authors Books for the series are thoughtfully selected to provide some of the best counsel on important subjects that people continue to wrestle with today

Hope in Times of Fear Timothy Keller, 2021-03-09 The Resurrection accounts of Jesus in the Gospels are the most dramatic and impactful stories ever told One similarity unites each testimony that none of his most loyal and steadfast followers could see it was him back from the dead The reason for this is at the very foundation of the Christian faith She turned around and saw Jesus standing there but she did not realize that it was Jesus John 20:14 Hope in the Time of Fear is a book that unlocks the meaning of Jesus's resurrection for readers Easter is considered the most solemn and important holiday for Christians It is a time of spiritual rebirth and a time of celebrating the physical rebirth of Jesus after three days in the tomb For his devoted followers nothing could prepare them for the moment they met the resurrected Jesus Each failed to recognize him All of them physically saw him and yet did not spiritually truly see him It was only when Jesus reached out and invited them to see who he truly was that their eyes were open Here the central message of the Christian faith is revealed in a way only Timothy Keller could do it filled with unshakable belief piercing insight and a profound new way to look at a story you think you know After reading this book the true meaning of Easter will no longer be unseen

On Giants' Shoulders MIKE REEVES, 2020-05-21 Is newer really better We often assume so but if we do treat the past as inferior we will ignore the legacy of history and thus will find ourselves stranded on the tiny desert island of our own moment in time In particular this applies to Christian theology which should be thought and lived corporately by the church down through the ages The remedy to chronological snobbery is as C S Lewis put it to keep the clean sea breeze of the centuries blowing through our minds Such is the motivation behind Michael Reeves introduction to a selection of influential or significant Christian theologians Furthermore by sitting on the shoulders of giants our glance can take in more things and reach farther

than theirs Bernard of Chartres This accessible and informative companion volume to *The Breeze of the Centuries* covers Martin Luther John Calvin John Owen Jonathan Edwards Friedrich Schleiermacher and Karl Barth Each chapter begins with a brief biography and some background then surveys each theologian's major work or works gives a timeline for historical context and ends with guidance for further reading

The Palace Beautiful Timothy M. Haupt, 2025-06-23 John Bunyan is best known as the author of *The Pilgrim's Progress* his immortal allegory of the Christian life as well as for his influential spiritual autobiography *Grace Abounding to the Chief of Sinners* Less known is that Bunyan's doctrine of the church drew the ire of seventeenth century Baptists and thrust him into a controversy over the terms of church membership and communion that helped to define the boundaries of Baptist identity In *The Palace Beautiful* Timothy Haupt offers a historical and systematic analysis of Bunyan's ecclesiology a comprehensive examination of the communion controversy and a thorough investigation of seventeenth century Baptist identity Was Bunyan a Baptist Haupt argues that the communion controversy was not a debate among fellow Baptists over a secondary issue of church practice but a dispute over fundamentally different ecclesiologies

The Oxford Edition of the Sermons of John Donne, Volume VII Peter McCullough, Erica Longfellow, 2024-12-11 Volume VII of *The Oxford Edition of the Sermons of John Donne* gathers sermons preached by Donne at different venues for the related liturgical occasions of marriages christenings and the churching of women after childbirth The volume contains ten sermons seven of them undated and in the case of the christening sermons also for parties unknown one of the two churching sermons survives only in an authorially revised state as two separate but obviously coeval sermons Longfellow and McCullough establish that these sermons were preached across almost the whole of Donne's preaching career from among his earliest ca 1615-16 to 1627 four years before his death In each case an authoritative text has been established by freshly collating multiple copies of the seventeenth century print editions as well as multiple manuscript copies which predate the print witnesses For the first time these sermons appear with full critical apparatus The Introduction provides the first dedicated account of the place of sermons in the social liturgical and theological contexts of these occasions in post Reformation England A headnote to each sermon describes its textual state and supplies local historical social and intellectual context and suggestions for further reading Extensive commentaries document Donne's use of sources both acknowledged and unacknowledged translate passages in foreign languages and gloss important and unfamiliar words Although largely neglected by previous scholarship these sermons emerge here as unique the only known sermons for churchings challenging for views on women and marriage more conservative than many of Donne's contemporaries and as evidence of Donne's Calvinist sacramental theology and his anti Catholicism They are also fine examples of Donne's skill in crafting emotionally compelling sermons suited to the unique demands of both occasion and auditory
