### **Sine Fratres An Officer Involved Shooting:**

*No Witness but the Moon* Suzanne Chazin, 2016-10-25 The victim of a police shooting connects a Hispanic detective to his own tragic past in this powerful novel from a tremendous talent Lee Child On a clear moonlit night in December police detective Jimmy Vega races to the scene of a reported home invasion in an upscale New York community As Vega arrives he spots a Hispanic man who fits the description of the armed intruder running from the victim's estate Vega chases him into the woods When the suspect refuses to surrender and reaches into his pocket Vega has only seconds to make a life or death decision What begins as a tragic mistake takes an even darker turn when Vega uncovers disturbing links between the dead man and his own mother's brutal unsolved murder Vega's need for answers propels him back to his old Bronx neighborhood where he is viewed as a disgraced cop not a homegrown hero It also puts him at odds with his girlfriend Adele Figueroa head of a local immigrant center who must weigh her own doubts about his behavior When a shocking piece of evidence surfaces it becomes clear that someone doesn't want Vega to put all the pieces together and is willing to do whatever it takes to bury the truth Only by risking everything will Vega be able to find justice redemption and the most elusive goal of all the ability to forgive himself Chazin delivers a complex suspenseful story with the grace of a ballerina and the impact of a boxer's fist William Kent Krueger New York Times bestselling author A complex mystery with a heartbreaking look at both sides of police shootings Kirkus Reviews     [The Compact Edition of the Oxford English Dictionary](#) Sir James Augustus Henry Murray, 1971 Micrographic reproduction of the 13 volume Oxford English dictionary published in 1933     **10-88! Officer Down!** Dustin Reichert, 2016-12-07 After almost 5 years with the department Deputy Dustin Reichert was involved in a violent gun battle on the most routine of calls After the smoke cleared and his body began to heal it became apparent that the real chaos was just beginning This is a story of working hard to obtain a career in Law Enforcement and how violence politics and misunderstanding of PTSD destroyed all of that hard work More importantly this is a story of how Dustin searched inside himself to finally find the healing and recover from his PTSD Dustin now finds himself sharing his story to groups of all kinds injecting appropriate humor where possible and connecting with attendees His inspiring story and his passion for helping others are the driving forces behind his message of the power of the positive mind Let him share his story and inspiration with you     *The Other End of the Gun* Lloyd W.
