himself to a new generation with roles in such adored shows as Arrested Development Parks and Recreation and Barry where he s been revealed as an actor with immense depth and pathos a departure from the period of his life when he was so distinctly typecast as The Fonz he could hardly find work Filled with profound heart charm and self deprecating humor Being Henry is a memoir about so much more than a life in Hollywood and the curse of stardom It is a meaningful testament to the power of sharing truth and kindness and of finding fulfillment within yourself **Television & Cable Factbook** ,1991
