The Time of My Life Ev Nau,2022-02-03 While driving home from a long trip Ev Nau was thinking about some events in his youth and suddenly realized that he knew very little about his own father s youth As his trip continued he further discovered that his own grandchildren really didn t know him either So began his project of recording his memoirs for them Following his retirement Ev went through every bit of documentation he could find from his mother s baby book to reports he had written at work to recapture as much of his life as possible Old pictures were the source of many of his memory kick starts Each tale seemed to rekindle a new story and he spent most of his time just chuckling about how clearly it all came back to him Born during World War II and surviving so many traumatic historical events Ev shows people his life in perspective to many of these historical events and how they shaped him and his growth From zany antics and there are many to tragic circumstances way too many his story graphically shows how this complicated man grew into a well respected teacher coach and mentor for so many others Whether chasing rabbits in a sports car on a golf course or marching endless miles in a drum and bugle corps or helping a close friend learn of his father s death Ev has a compelling story to tell And those tales only scratch the surface Wait until you read about his Winter Carnival experience

My Ladyboy Date Heinz Duthel,2018-01-03 My Ladyboy Date Give love a chance The World history of transgender or transsexual people Theorist Anne Fausto Sterling in a 1993 article argued that if people ought to be classified in sexes at least five sexes rather than two would be needed There is a huge variety of terms and names for transsexual women If you ve been using dating sites for a while you noticed that they have a variety of terms which leads many men to confusion Even trans women themselves are uncertain of the meaning of some terms In the Philippines a lot of trans women wrongly call themselves gay In Thailand the term Ladyboy is the most popular Let s explain these terms the best we can Hopefully you ll have a better understanding of what they mean after you read this guide Transgender A transgender person is a person whose gender identity doesn t align with the role society is expecting of them To better understand the transgender term you have to be aware that society only recognises two genders male or female To make it worse it is expected to be your gender depending on what your assigned sex was from birth If you are born with a penis you are expected to be a man if you are born with a vagina you are expected to be a girl Transgender people do not identify themselves with the gender they were born Transgender is actually a general term that encapsulates many other labels such as transsexuals transvestites genderqueers drag queens and drag kings
