Living a Metaphysical Life: A Mother's Legacy for Her Family Marsha Moore, 2015-08-19 Part memoir part love letter part journey into metaphysics I did not set out to live a metaphysical life All I wanted was to lead a normal life Because of all the unusual circumstances surrounding my childhood I wanted normalcy more than anything But sometime during my young life I began to have dreams and precognitions These experiences changed my reality forever gave me the courage to journey to my soul and led me on a voyage through metaphysics in an attempt to understand my psychic life This book records my journey including life events contemplations psychic dreams and religious experiences I lived part time with a Baptist family early in life followed by years of Catholic school education from grade school through high school Studying metaphysics in my twenties exposed me to Eastern philosophy Ultimately I was able to reconcile my psychic experiences and Eastern perspectives with my Catholic beliefs

Late Discoveries Susan Bennett, 2011-09-07 Late discovery adoptees have a lot of catching up to do Susan was forty three years old before she ordered a DNA test and learned the truth that she had long suspected that she was adopted By this time the woman she had always called her mother who had kept the adoption a secret was dying so Susan never got to talk with her directly on this important matter of identity Then came the long involved search for her half siblings and her biological family roots a roller coaster of emotions that uncovered secret after secret revealing truth after truth At the climax of the book she visits the building where she was born when the building was a facility for unwed mothers and makes a remarkable almost magical connection with her deceased birth mother She discovers still stuck to a wall a painting of a Christmas tree signed by her eighteen year old mother The most important truth Susan learned from her quest was that she had been wanted and loved by both her mothers
