Sisters Of Treason:

Sisters of Treason Elizabeth Fremantle, 2014-07-08 From the author People called a must read for Philippa Gregory fans a terrifically entertaining The Sunday Times London novel about two sisters who must survive life in the Tudor court after the execution of their sister Lady Jane Grey who was queen for just nine days Early in Mary Tudor's turbulent reign Lady Catherine and Lady Mary Grey are reeling after the brutal death of their elder seventeen year old sister and the succession is by no means stable In Sisters of Treason Elizabeth Fremantle brings these young women and their perilous times to vivid life Neither sister is well suited to a dangerous career at court Flirtatious Lady Catherine thought to be the true heir cannot control her compulsion to love and be loved Her sister clever Lady Mary has a crooked spine and a tiny stature in an age when physical perfection equates to goodness and both girls have inherited the Tudor blood that is more curse than blessing For either girl to marry without royal permission would be a potentially fatal political act It is the royal portrait painter Levina Teerlinc who helps the girls survive these troubled times She becomes their mentor and confidante but when the Queen's sister the hot headed Elizabeth Tudor inherits the crown life at court becomes increasingly treacherous for the surviving Grey sisters Ultimately each young woman must decide how far she will go to defy her Queen risk her life and find the safety and love she longs for An enthralling story of love and tyranny Sisters of Treason brings the Tudor Courts to life again in all their romance and horror Leanda de Lisle

Sisters of Treason Elizabeth Fremantle, 2015-03-03 Following the acclaimed Queen's Gambit Elizabeth Fremantle brings us a new novel of intrigue and menace at the Tudor Court 1554 Lady Jane Grey is executed by her cousin Queen Mary Now Lady Jane's younger sisters Katherine and Mary cursed with the Tudor blood that saw their sister killed face the perils of the royal court alone Lady Katherine young and spirited makes dangerous romantic liaisons While Lady Mary crook backed and vulnerable becomes the Queen's reluctant companion yet yearns to escape court intrigue And both girls fear their proximity to the Queen might be their undoing For the childless Queen is ill If she should die Katherine may be pushed to power but the Queen's half sister Elizabeth casts a long shadow and if she gains the throne the court will become a terrifying maze of treachery and suspicion where holding royal blood could be a death warrant for the two sisters This sumptuous historical drama is perfect for fans of Philippa Gregory and Hilary Mantel Through the eyes of the Grey sisters we are given an insight into the treacherous rule of the Tudor Court Praise for Elizabeth Fremantle An endlessly fascinating era and Fremantle manages to combine pacy storytelling with superb background terrifically entertaining The Times Fremantle is surely a major new voice in historical fiction what Hilary Mantel fans should read while waiting for the final part of her trilogy The Bookseller A sumptuous epic Metro Gripping Woman Home A great read Sisters of Treason totally transports the reader to the Tudor court with all its tensions and games Katherine Webb author of The Misbegotten Electric Good Housekeeping Rich and enticing Stylist Elizabeth Fremantle brings the decadent conniving back stabbing world of the 16th century British court to brilliant life here revealing what one woman can teach us

Wilcox,2018-05-22 An engaging look into the Sisters of Perpetual Indulgence queer activists devoted to social justice The Sisters of Perpetual Indulgence make up an unlikely order of nuns Self described as twenty first century queer nuns the Sisters began in 1979 when three bored gay men donned retired Roman Catholic nuns habits and went for a stroll through San Francisco s gay Castro district The stunned and delighted responses they received prompted these already seasoned activists to consider whether the habits might have some use in social justice work and within a year they had constituted the new order Today with more than 83 houses on four different continents the Sisters offer health outreach support and at times protest on behalf of queer communities In Queer Nuns Melissa M Wilcox offers new insights into the role the Sisters play across queer culture and the religious landscape The Sisters both spoof nuns and argue quite seriously that they are nuns adopting an innovative approach the author refers to as serious parody Like any performance serious parody can either challenge or reinforce existing power dynamics and it often accomplishes both simultaneously The book demonstrates that through the use of this strategy the Sisters are able to offer an effective flexible and noteworthy approach to community based activism Serious parody ultimately has broader applications beyond its use by the Sisters Wilcox argues that serious parody offers potential uses and challenges in the efforts of activist groups to work within communities that are opposed and oppressed by culturally significant traditions and organizations as is the case with queer communities and the Roman Catholic Church This book opens the door to a new world of religion and social activism one which could be adapted to a range of political movements individual inclinations and community settings **The Tudor Sisters; a Story of National Sacrilege** ,1846 **Asians in Colorado** William Wei,2016-04-01 Providing the most comprehensive examination

Matthias Reiss,2018-06-14 Controlling Sex in Captivity is the first book to examine the nature extent and impact of the sexual activities of Axis prisoners of war in the United States during the Second World War Historians have so far interpreted the interactions between captors and captives in America as the beginning of the post war friendship between the United States Germany and Italy Matthias Reiss argues that this paradigm is too simplistic Widespread fraternisation also led to sexual relationships which created significant negative publicity and some Axis POWs got caught up in the U S Army s new campaign against homosexuals By focusing on the fight against fraternisation and same sex activities this study treads new ground It stresses that contact between captors and captives was often loaded with conflict and influenced by perceptions of gender and race It highlights the transnational impact of fraternisation and argues that the prisoners sojourn in the United States also influenced American society by fuelling a growing concern about social disintegration and sexual deviancy which eventually triggered a conservative backlash after the war

which have been dominated by the journey of the ANC to other political organisations who collectively played a significant role in South Africa's road to democracy. In this book Hiralal presents a refreshing perspective of Indians, particularly women, as contributors and activists in the struggle. The book elucidates that the struggle against apartheid was a collective endeavour among the oppressed races and not a one-sided endeavour by the ANC. The book thus examines the participation of Indian women against apartheid and colonialism within gendered and political frameworks. **Three Sisters, Three Queens** Philippa Gregory, 2016.
