Department of the Army,1979 The War for Ukraine Mick Ryan,2024-08-13 The Russo Ukraine War is a vital learning opportunity for military strategists across the globe The first and clearest lesson to be gleaned from it is this the soundness of a military s strategy and the nimbleness with which it can adapt to unforeseen circumstances are the two most important factors in deciding victory or defeat The War for Ukraine analyzes the war through these twin lenses of strategy and adaptation detailing how each army has succeeded or failed to plan for and adapt to this twenty first century war Author Mick Ryan examines the foundations of Ukrainian and Russian strategy for their ongoing war looking back over several

decades to reveal how both sides have evolved their military strategy and force structure Each has undertaken institutional level reforms of their military and national security enterprises in the decade leading up to this war But because the emergent behavior of military forces after fighting begins cannot be fully predicted these prewar reforms only constitute a starting point for adaptation during the war Part I of the book covers the role of strategic leadership with a focus on evolution of strategy since February 2022 From there the second part of the book delves into how the Ukrainians and Russians have adapted their tactics organizations operational approaches and strategic foundations for war making throughout the conflict Central to this discussion are the ways that regardless of cutting edge technology human elements have remained a crucial deciding factor in Ukraine Ryan shows how good leadership allows a nation to navigate the ambiguity and uncertainty of conflict while poor leadership leaves it vulnerable to surprises Likewise The War for Ukraine offers case studies of the importance of an institution s ability to nurture and reward human learning as it relates to combat The book provides strategists policymakers and military leaders with a basis from which to plan for constant adaption in military organizations General readers of contemporary global conflict will also find The War for Ukraine of great interest

Field Manual ,1973 **Jayhawk!** Stephen Alan Bourque,2002 **A History of Counterinsurgency** Gregory Fremont-Barnes,2015-05-05 This two volume history of counterinsurgency covers all the major and many of the lesser known examples of this widespread and enduring form of conflict addressing the various measures employed in the attempt to overcome the insurgency and examining the individuals and organizations responsible for everything from counterterrorism to infrastructure building How and when should counterinsurgency be pursued as insurgency is growing in frequency and conversely while conventional warfare continues to decline as a means by which political rivals seek to impose their will upon each other What lessons from the past should today s policymakers strategists military leaders and soldiers in the field keep in mind while facing off against 21st century insurgents This two volume set offers a comprehensive history of modern counterinsurgency covering the key examples of this widespread and enduring form of conflict It identifies the political military social and economic measures employed in attempting to overcome insurgency examining the work of the individuals and organizations involved demonstrating how success and failure dictated change from established policy and carefully analyzing the results Readers will gain valuable insight from the detailed assessments of the history of counterinsurgency that demonstrate which strategies have succeeded and which have failed and why After an introductory essay on the subject each chapter provides historical background to the insurgency being addressed before focusing on the specific policies pursued and actions taken by the counterinsurgency force Each section also provides an assessment of those operations including in most cases an analysis of lessons learned and where appropriate their relevance to counterinsurgency operations today The set s coverage spans modern counterinsurgencies from Europe to Asia to Africa since 1900 and includes the ongoing counterinsurgency operations in Afghanistan today Its wide international approach to the subject makes
