The NHS Ellen Welch, 2021-01-13 A history of Britain s healthcare system from the Victorian era to the post World War II beginnings of the NHS to the Coronavirus pandemic The Coronavirus pandemic in 2020 has changed life as we know it and thrust the NHS into the spotlight A nation in lockdown has adorned windows with rainbows and stepped onto doorsteps

every Thursday to celebrate the people who are risking their lives by turning up to work But as the grim reports of deaths from the disease cumulate along with stories of insufficient protective equipment for staff there is hope that the crisis will raise awareness and bring change to the way the NHS and its people are treated At midnight on 5 July 1948 the National Health Service was born with the founding principal to be free at the point of use and based on clinical need rather than on a person's ability to pay Over seventy years since its formation these core principals still hold true but the world has changed Persistent underfunding has not kept pace with increased demand for healthcare leading to longer waiting times staffing shortages and low morale This book traces the history of our health service from Victorian healthcare and the early 20th century through a timeline of change to the current day comparing the problems and illnesses of 1948 to those we face today Politics and funding are demystified and the effects of the pandemic are discussed alongside personal stories from frontline staff and patients who have experienced our changing NHS Ellen's book takes us on an emotional journey through the history of our beloved NHS This should be compulsory reading for anyone who thinks the NHS is safe in the hands of anyone but the Labour Party Absolutely enthralling Books Monthly
