The Heroic City

Rosemary Wakeman, 2009-12-15 The Heroic City is a sparkling account of the fate of Paris's public spaces in the years following Nazi occupation and joyful liberation Countering the traditional narrative that Paris's public landscape became sterile and dehumanized in the 1940s and 50s Rosemary Wakeman instead finds that the city's streets overflowed with ritual drama and spectacle With frequent strikes and protests young people and students on parade North Africans arriving in the capital of the French empire and radio and television shows broadcast live from the streets Paris continued to be vital terrain Wakeman analyzes the public life of the city from a variety of perspectives A reemergence of traditional customs led to the return of festivals street dances and fun fairs while violent protests and political marches the housing crisis and the struggle over decolonization signaled the political realities of postwar France The work of urban planners and architects the output of filmmakers and intellectuals and the day to day experiences of residents from all walks of life come together in this vibrant portrait of a flamboyant and transformative moment in the life of the City of Light

Nouvelles Psychogéographies

Nathalie Caritoux, Florent Villard, 2017-11-13 T00:00:00+01:00 En inventant le terme de psychogéographie Guy Debord institue une expérience de la ville qui devait aboutir à une science des faits psychiques en relation avec l'environnement urbain Le projet initial de la psychogéographie n'a pas résisté à la radicalité politique des situationnistes Pourtant en nous affranchissant de la définition précise et restrictive proposée par Debord il devient possible de considérer que la psychogéographie est la fois héritière d'une tradition interlocutrice de ses contemporains et initiateur d'une posture réunissant des auteurs d'horizons disciplinaires variés philosophie géographie urbanisme psychanalyse sinologie ce volume incite à une réflexion théorique historique et littéraire sur ce que nous apprend l'expérience de la ville urbaine aujourd'hui
