Court,2000-03-01 This original and unusual book investigates a continuing Johannine apocalyptic tradition represented in three strange Greek texts that are also linked to a Coptic manuscript None of the Greek texts has been published in recent years and they have never been published together or associated in studies of Christian apocrypha John Court well known for his studies on Revelation supplies the text of the Greek manuscripts with English translations introductions and detailed explanatory notes that set the texts and their ideas in the context of Christian views on the future and the afterlife **From Hell Street to Heaven's Gate** Aubrey Ray Vaughan,2025-01-30 Hell Street was located on an inner city street in Houston Texas For over twenty years while being the Pastor of the Church conducting a Christian school and conducting a skid row mission we were able to tell many fallen and lifeless addicted men and women that sweet old story that Jesus Christ saves sinners It is and was such a thrilling experience to see hope come back into their lives and see their joy because their sins and their old life had been forgiven forever Starting over is difficult but it is not impossible Hell Street was the term adopted by some of the men in our rescue mission who had walked those streets It was the term that describes the area where our church buildings were located Con men party people prostitutes and drug pushers regularly walked by the buildings At any given time of the day one could see several drug deals transpiring across the street from the church buildings Approximately thirty legal beer joints bars strip clubs porn bookstores and nightclubs owned by the Chinese Mafia and other like groups and individuals lined the streets around our church buildings When we left the area we had witnessed several bars closing and one porn shop and one abortion clinic shut down The area had changed some but it was clear that the wicked would always have their places of amusement for any unsuspecting simple person Our new home in the country setting was given the street name Heaven s Gate which sparked the title for this book Revelation Revolution Kay Fairchild,Lisa Perdue,2003-08 **Leaves of Healing** ,1928 **Hell's Hinges** SM Reine,2019-01-29 Sophie Keyes has made a mistake that might destroy the universe The Traveler has an offer go back in time fix your mistake and save the world Easy Except that fixing Sophie s mistake means destroying her life and Lincoln Marshall won t stand to see that happen Not if he can time travel with them to find another way Their attempt to jump into the past goes awry and dumps them into Reno 2006 where Elise Kavanagh is in hiding with

James Faulkner It s a delicate moment in the timeline and if Lincoln takes a single wrong step he ll change everything He can t go to Elise for help He can t speak to the woman he s loved for years touch her again kiss her Not unless he s willing to bring the universe that much closer to destruction For the Godslayer Lincoln might be willing to lose it all For the Traveler it might be a step too far War is breaking out in Reno 2006 and the consequences threaten to ripple through time assuming that they don t make the entire world fall apart first Book 3 of the A Fistful of Daggers series The World of Horrotica

Fielding,2008-09-26

Traditionally university students have gained access to world religions by reading primary texts Discovering World Religions at 24 Frames Per Second takes students beyond the written page offering an exploration of the same religious traditions through the study of feature films The many definitions of religion are examined along with its various components including doctrine myth ethics ritual and symbol Specific religious traditions including Hinduism Sikhism Zoroastrianism Buddhism Confucianism Daoism popular religion and Shinto are examined Biographical sketches of directors whose films tend to focus on a particular religious tradition are also included such as Zhang Yimou Hayao Miyazaki Deepa Mehta and Akira Kurosawa Discovering World Religions at 24 Frames Per Second is unique in the area of religion and film studies in that it isn t just a collection of essays Instead it provides the introductory student with the necessary background information on the various religions before looking at how their ideas can be understood not through texts but through the cinematic medium To keep the conversation fresh most of the films used in the book were made within the last decade Furthermore examples range from popular mainstream fare such as Star Wars and the Lord of the Rings trilogy to lesser known foreign films such as The Wooden Man s Bride and The Great Yokai War Several films with a cult like following are also discussed including Fight Club Princess Mononoke Spirited Away and Jacob s Ladder This book is also unique in that instead of drawing upon the Judeo Christian tradition it draws from Eastern traditions

New ser. [of The Monthly Christian spectator]. ,1862 *The Great Revival* John B. Boles,2021-12-14 Drawing upon the religious writings of southern evangelicals John Boles asserts that the extraordinary crowds and miraculous transformations that distinguished the South s First Great Awakening were not simply instances of emotional excess but the expression of widespread and complex attitudes toward God Converted southerners were starkly individualistic interested more in gaining personal salvation in a hopelessly evil world than in improving society As Boles shows in this landmark study the effect of the Revival was to throw over the region a conservative cast that remains dominant in contemporary southern thought and life *Narrative of the Mission to Orissa (the Site of the Temple of Jugurnath)* Amos Sutton,1833 *The Gospel of John* Frederick Dale Bruner,2012-02-22 The author of a much loved two volume Matthew commentary 1990 that he greatly revised and expanded fourteen years later Frederick Dale Bruner now offers *The Gospel of John* A Commentary more rich fruit of his lifetime of study and teaching Rather than relying primarily on recent scholarship Bruner honors and draws from the church s major John commentators throughout history including Augustine Chrysostom Aquinas Luther Calvin Bultmann Barrett and many more Alongside this

historical interpretation is Bruner's own contemporary interpretation which incorporates a lucid translation of the text references to recent scholarship and his pastoral application of the Gospel to present day experience Like Bruner's other work this commentary is rich in biblical insights broadly historical and deeply theological Here is what Eugene Peterson said about Bruner's earlier work on Matthew This is the kind of commentary I most want a theological wrestling with Scripture Frederick Dale Bruner grapples with the text not only as a technical exegete although he does that very well but as a church theologian caring passionately about what these words tell us about God and ourselves His Matthew commentary is in the grand traditions of Augustine Calvin and Luther expansive and leisurely loving the text the people in it and the Christians who read it The same could well be said about the present John commentary which promises to be another invaluable resource for pastors teachers and laypeople alike
