Gobel, 2012-03-14 I'm about to lose my wife and I don't want to lose

my son too That depressing thought kept racing through my mind all day long as my five year old boy Frankie and I were enjoying our first day ever at an amusement park in 1994 My marriage was shot and beyond repair and I now faced many a parent s dread what effect would the divorce have on my son and how will I maintain any semblance of a normal rapport with him The answer miraculously was only hours away Right before exiting the immense park for the evening my rambunctious boy somehow lured me onto the thrill arena s big roller coaster for a ride That solitary coaster journey hooked us up for life to the joys of gallivanting upon these flying machines and for the next fifteen summers that s basically all we did We ultimately shared over 300 days together in amusement parks as we traveled 40 000 miles by car plane and sleeper car train to every thrill park in the country that housed anything close to resembling a roller coaster The divorce came soon enough and inflicted its normal dose of hardship and despair But it proved to be no match for the wonderful memories that accompanied all of our trips and the steadfast bond that grew between us merely in pursuit of our beloved joyrides Flying With Frankie is our story FLYINGWITHFRANKIE COM      [The Cheapskate's Guide to Theme Parks](#) Steven J.
