their horses were also exuberant Alyps or Durduls They were wealthy and they also had a state That is how the Narts lived their lives The Narts were courageous energetic bold and good hearted Thus they lived until God sent down a small swallow The Narts were very cruel to one another They were envious of one another They disputed among themselves over who was the most courageous But most of all they hated Sosruquo A rock gave birth to him He is the son of a rock illegally born a mere shepherd s son In a new introduction folklorist Adrienne Mayor reflects on these tales both in terms of the fascinating warrior culture they depict and the influence they had on Greco Roman mythology
