French Connections examines how the movement of people ideas and social practices contributed to the complex processes and negotiations involved in being and becoming French in North America and the Atlantic World between the years 1600 and 1875 Engaging a wide range of topics from religious and diplomatic performance to labor migration racialization and both imagined and real conceptualizations of Frenchness and Frenchification this volume argues that cultural mobility was fundamental to the development of French colonial societies and the collective identities they housed Cases of cultural formation and dislocation in places as diverse as Quebec the Illinois Country Detroit Haiti Acadia New England and France itself demonstrate the broad variability of French cultural mobility that took place throughout this massive geographical space Nevertheless these communities shared the same cultural root in the midst of socially and politically fluid landscapes where cultural mobility came to define and indeed sustain communal and individual identities in French North America and the Atlantic World Drawing on innovative new scholarship on Louisiana and New Orleans the editors and contributors to French Connections look to refocus the conversation surrounding French colonial interconnectivity by thinking about mobility as a constitutive condition of culture from this perspective separate spheres of French colonial culture merge to

Beaugrand nous plonge dans l'univers fascinant des légendes du Québec utilisant un style narratif riche et envoi tant qui évoque les traditions orales ancestrales. Ce livre publié à la fin du XIXe siècle se nourrit de la culture canadienne française mettant en avant le folklore, les superstitions et les récits de chasse qui constituent le patrimoine collectif du peuple québécois. L'auteur y décrit avec une grande vivacité les paysages canadiens tout en intégrant des éléments mystiques et surnaturels qui capturent l'imaginaire du lecteur créant ainsi un pont entre le réel et l'imaginaire populaire. Honoré Beaugrand, écrivain, journaliste et politicien, s'est souvent inspiré des récits qui peuplent son héritage culturel. Sa propre expérience en tant que récit du folklore et son attachement au Québec ont profondément influencé son écriture. Beaugrand ayant grandi dans un milieu riche en histoires et légendes voit dans ce recueil une manière de préserver et célébrer l'identité collective canadienne française. Une époque où celle-ci est mise à l'épreuve par la modernité. Je recommande vivement. La chasse, galerie pour tous les amateurs de folklore et de littérature québécoise. Ce livre transcende le simple récit pour devenir une véritable exploration des croyances et des valeurs d'un peuple. En le lisant, le lecteur est invité à immerger dans un monde où le merveilleux côtoie le quotidien offrant ainsi une réflexion profonde sur l'histoire et l'identité canadienne française. *Six mois dans les Montagnes-Rocheuses* Honoré

Beaugrand, 2020-06-17 Dans *Six mois dans les Montagnes Rocheuses* Honoré Beaugrand nous plonge dans un récit d'aventure à la fois captivant et instructif. L'ouvrage rédigé dans un style d'observation minutieuse et de narration vivante s'inscrit dans le cadre des explorations canadiennes de la fin du 19e siècle. Beaugrand évoque ses expériences travers les paysages majestueux des Rocheuses à l'aide de descriptions poétiques et réflexions sur la nature, les autochtones et la vie des pionniers. Le contexte littéraire de l'époque marqué par un intérêt grandissant pour le voyage et l'exploration nourrit un récit oralisme et lyrisme s'entremêlant habilement. Honoré Beaugrand, homme de lettres et explorateur, était influencé par son héritage culturel et ses propres expériences de voyage. Galement engagé dans la politique, il a souvent servi de pont entre différentes cultures ce qui transparaît dans ses écrits. Son séjour prolongé dans les Rocheuses a été non seulement une aventure personnelle mais également une quête pour brosser un tableau nuancé de cette région encore méconnue tout en montrant de la complexité des relations humaines avec la nature et entre les peuples. Je recommande chaleureusement. **Subject Index of Modern Books**
