Top pay in the public sector Great Britain: Parliament: House of Commons: Public Administration Select Committee,2010-03-24 The Government response is to HC 172 I ISBN 9780215542847 **Indian Politics & Our Thought** Rajnath Singh,2014-01-01 BJP is a political party rich in distinct ideology possessing an army of committed and dedicated workers Added to this is a succession of capable industrious and talented leaders Our collective endeavour would accelerate the process of development and instill probity in public life On being returned to power our commitment would be to establish Su Raj good governance A negligent and lethargic attitude about casting one s vote despite having the capacity and facility to do so in principle not only weakens the democracy but in practice also paves the way for unhealthy elements getting into the polity which in turn is detrimental to the health of democracy Voters should also bear in mind that they not only form the government by casting their vote but also indirectly pave the way for someone to form the government by not exercising their franchise The entire nation is looking at us to find answers to these challenges If the BJP fails to respond to

these challenges then rest assured no other political party will have a solution for them If by galvanizing our organizational powers we are successful in this election respond to all these challenges and take the country out of these crises then we will be considered as architects of history in the years to come From this book Collection of speeches of BJP President Shri Rajnath Singh which reflect the basic ethics and characteristics of this nationalist party and emphasis on the motto of Nation First

Southern Perspectives on the Post-2015 International Development Agenda Debapriya Bhattacharya, Andrea Ordóñez Llanos, 2016-11-03 At the turn of the millennium the unanimous adoption of the Millennium Development Goals MDGs by the United Nations General Assembly marked a new chapter in international development However voices from the Global South were noticeably absent in shaping the agenda Fifteen years later the global context has changed so much that it would have been inconceivable not to have taken voices from the South into account when planning the new Sustainable Development Goals SDGs Since its inception in 2012 the Southern Voice on Post MDG International Development Goals Southern Voice a network of 48 think tanks from Africa Asia and Latin America has generated a substantial body of original research to feed into various aspects of the post 2015 development agenda such as the missing dimensions of the MDGs ways to mitigate existing challenges in delivering on aspired outcomes and new issues goals targets and indicators that are crucial for the next global development framework Southern Perspectives on the Post 2015 International Development Agenda consolidates this research and stitches together development realities and policy experiences from the Global South infusing unique local perspectives to the global debate on the post 2015 agenda The compendium addresses the overarching themes underpinning the new international development framework by focusing on issues such as sustainability and growth inclusion and social policies governance and capacities and financing of the new agenda Southern Voice seeks to challenge the knowledge asymmetry afflicting the global knowledge system by channelling evidence based policy analyses produced by centres of excellence located in the Global South This is a valuable resource for academics and researchers policymakers and practitioners and concerned students in search of alternative views on sustainable development

Ethics in Governance in India Bidyut Chakrabarty, 2016-03-31 Governance and ethics are intertwined A government functions within certain broad moral and ethical parameters integrally linked with the sociological foundation of the polity in which it is articulated The importance of ethics in governance has acquired a significant place in contemporary theoretical discussion This book situates ethics in governance in India in the national frame and incorporates the context of globalization allowing for the increasing importance of non state global actors in national decision making The author argues that a lack of ethics quickly turns into corruption and leads to governmental efforts to deal with it He proposes that ethics are a set of standards that a society places on itself to articulate its responses to societal needs and discusses the efforts of the Indian government at eradicating corruption and its failure A theoretical approach to the issues of ethics in governance and corruption this book is of interest to academics in the fields of Asian Politics in particular Indian politics and political philosophy
