## **Simplifying Obamacare Understanding The Affordable Care Act:**

**Obamacare Simplified** Hamisu Salihu, 2014-11-12 ObamaCare otherwise known as the Affordable Care Act ACA has become law in the United States and has led to a major reform of the healthcare industry. Although the law has received wide media coverage, the majority of our citizens still do not understand the basic tenets of the law. This book simplifies the main provisions of ObamaCare using a question and response format that reflects the daily struggles and interactions with processes involved in ObamaCare coverage while using scenarios to reinforce understanding. The reader will be introduced to the health exchange including information on available subsidies based on income, penalty tax, and how one qualifies for Medicaid under ObamaCare. Reviewing the content of this book will allow the reader to understand the goals of universal coverage, essential health benefits, and qualification criteria for tax credits. It is a must read for those who want to benefit the most from the ObamaCare Act.

**A Fine Mess** T. R. Reid, 2018-04-03 New York Times bestselling author T R Reid travels around the world to solve the urgent problem of America s failing tax code unravelling a complex topic in plain English and telling a rollicking story along the way The U S tax code is a total write off Crammed with loopholes and special interest provisions it works for no one except tax lawyers accountants and huge corporations Not for the first time we have reached a breaking point That happened in 1922 and again in 1954 and again in 1986 In other words every thirty two years Which means that the next complete overhaul is due in 2018 But what should be in this new tax code Can we make the U S tax system simpler fairer and more efficient Yes yes and yes Can we cut tax rates and still bring in more revenue Yes Other rich countries from Estonia to New Zealand to the UK advanced high tech free market democracies have all devised tax regimes that are equitable effective and easy on the taxpayer But the United States has languished So byzantine are the current statutes that by our government s own estimates Americans spend six billion hours and 10 billion every year preparing and filing their taxes In the Netherlands that task takes a mere fifteen minutes Successful American companies like Apple Caterpillar and Google effectively pay no tax at all in some instances because of loopholes that allow them to move profits offshore Indeed the dysfunctional tax system has become a major cause of economic inequality In *A Fine Mess* T R Reid crisscrosses the globe in search of the exact solutions to these urgent problems With an uncanny knack for making a complex subject not just accessible but gripping he investigates what makes good taxation no that s not an oxymoron and brings that knowledge home where it is needed most Never talking down or reflexively siding with either wing of politics T R Reid presses the case for sensible root and branch reforms with a companionable ebullience This affects everyone Doing our taxes will never be America s favorite pastime but it can and should be so much easier and fairer Congressional Record United States.
