Having a Wonderful Christmas Time Film Guide Terry Rowan, 2014-04-27 A comprehensive Holiday look at the films that are the joyful part of the year and our lives The story of the film people who bring you joy during the holiday season Plus many other Christmas traditions customs decorative ideas and other tales as well as facts from this festive time Plus a Christmas Media Trivia Quiz **"The Simpsons" Main Cast Members** , **Machiavelli Meets Mayor Quimby** Nathan Thoms, 2006-06-01 Since its 1989 independent debut The Simpsons has enjoyed phenomenal success in both domestic markets and internationally but very little academic notice has been paid to this series and the messages it broadcasts daily now that it is in syndication to its millions of fans worldwide This book focuses on an analysis of the political messages contained within the episodes of the first season of the series from 1989 1990 with the goal of identifying analyzing and

understanding the message or messages related to politics contained within each episode which millions are exposed to each year Note that this book does not analyze The Simpsons in terms of its Machiavellian content the title is meant to suggest the rich political undercurrents of The Simpsons though not necessarily from a Machiavellian perspective *Transmediating the Whedonverse(s)* Juliette C. Kitchens, Julie L. Hawk, 2019-10-29 This book explores the transmedial nature of the storyworlds created by and or affiliated with television auteur writer and filmmaker Joss Whedon As such the book addresses the ways in which Whedon s storyworlds or verses employ transmedia both intrinsically as texts and extrinsically as these texts are consumed and in some cases reworked by audiences This collection walks readers through fan and scholar fan engagement intrinsic textual transmediality and Whedon s lasting influence on televisual and transmedia texts In closing the editors argue for the need to continue research into how the Whedonverse s lend themselves to transmedial study engage audiences in ways that take advantage of multiple media and encourage textual internalization of these engagements within audiences

Leaving Springfield John Alberti, 2004 Since its first appearance as a series of cartoon vignettes in 1987 and its debut as a weekly program in 1990 The Simpsons has had multiple even contradictory media identities Although the show has featured biting political and social satire which often proves fatal to mass public acceptance The Simpsons entered fully into the mainstream consistently earning high ratings from audiences and critics alike Leaving Springfield addresses the success of The Simpsons as a corporate manufactured show that openly and self reflexively parodies the very consumer capitalism it simultaneously promotes By exploring such topics as the impact of the show s satire on its diverse viewing public and the position of The Simpsons in sitcom and television animation history the commentators develop insights into the ways parody intermixes with mass media to critique post modern society In spite of the longevity and high cultural profile of the show The Simpsons has so far attracted only scattered academic attention Leaving Springfield will be of importance to both scholars of media and fans of the show interested in the function of satire in popular culture in general and television in particular
