faced with many things The young the old and everyone in between have to face who they are and whose they are Do I serve God or do I do what I want to do We must realize that we have been sent here for a divine purpose and for God s exclusive use The things that we do that is ungodly we must let go Margery realized that she was here only for God s exclusive use and life is much sweeter when you follow the plan for your life In the midst of your mission in life you will as Margery did hear a cry being made what will your last words be Do not let your life be one of rejection which will cause you to be in reclusion live reckless be full of resistance to what is good for you or show forth rebelliousness You can build a life in spite of what you go through in life Foundations of our Faith B. Lightsey,2019-08-14 I am part of a vast ocean of Christians that view the

Word of God through a different set of eyes than those of many pastors professors and church staff members I have interest in the deep theology of scripture and recognize my need to be exposed to and covered by the Word of God similar to that of my called brothers in Christ Yet I want it delivered to me in a simple worker s language Recent translations have strived toward this end and have made headway Yet the finished product is still from scholars that often describe the original transcripts from a theological standpoint rather than a worker s standpoint The Eastern Standard Version ESV published in 2001 was written to carefully weigh accuracy against the original Hebrew Aramaic and Greek scrolls It stands as one of the better accepted of sound English Bible Translations Because of its wide acceptance I have used this translation for my resource I have certainly considered a host of opinions and writings of a host of scholars but my source of authenticity has always been God s Word In writing this book I strongly encourage our religious leaders to go back to the reading writing and arithmetic basics of God s Word Just as I believe we need to get back to the basics in educating our children in school in

reading writing and arithmetic we also need to get back to the reading writing and arithmetic basics in educating God's people in church Perhaps such consideration is out of touch with the advanced theology of today As a layman not an ordained or seminary graduate I might be considered a doctrine dummy This book entitled *Doctrine for Dummies* is written for this vast ocean of people We are not dummy people but we are somewhat hindered in our study by deep theological doctrine This book tries to take us back to reading writing and arithmetic doctrine

The Seven Deadly Sins David A. Salomon, 2019-03-22 This volume looks at the history of the idea of sin as it has influenced and shaped Western culture Emphasis is placed on an inter and cross disciplinary approach The word sin has come to transcend the theological and enter the common parlance in both media and society This book is an examination of that idea It discusses how the concept of sin evolved through the Middle Ages and into the modern era From religion to politics and from the bedroom to the boardroom a more complete understanding of the history of sin will assist the modern reader in a wide variety of fields This book builds on the work of Gregory the Great to explain each of the so-called seven deadly sins pride lust anger gluttony avarice envy and sloth Each chapter provides a close look at the origins and history of that individual sin concluding with a section on contemporary applications of the idea and a case study The central argument is that the concept of sin has been integral to the development of Western society including not only political and religious history but also in extensive aspects of popular culture in the twenty-first century The broader but significant issue of intention versus action permeates the study
