**Sinful Resurrection** Kennedy Layne,2013-12-10 Sins of the past have been resurrected predetermining their path to love Can they overcome the treacherous obstacles set before them Jax Christensen likes his life just the way it is He has his work his club and the occasional naked submissive to take his mind off everything else He doesn't talk about the past as there is no point in reminiscing about things that cannot be altered His chest has an empty hole where his heart used to be but he's grown accustomed to the constant pain It's become the only thing that reminds Jax that he's alive Emily Weiss has never forgotten the one and only man she's ever loved She's hidden for two long years in an attempt to protect Jax and herself desperate to try and stay one step ahead of those who want her dead She has information that could destroy the United Nations Unfortunately they want to eliminate her first Emily's exhausted and wants more than anything to feel safe once more That was how she felt in Jax's strong arms and she longs to be there again When Jax sees that Emily has risen from the grave his heart and soul are full of anger and regret He'll never forgive her lies and deception He will however keep her safe He hates her for what she's done but he doesn't want her death on his conscience He'll protect her and then walk away Secrets are revealed and the danger is more sinister and deadly than anyone could have guessed Jax and Emily are forced on the run and the passion they once felt for one another burns even hotter and brighter the second time around Jax doesn't know how he'll walk away this time or if he even wants to Emily is determined to expose a high level official within the United Nations and walk away unscathed She wants a second chance with her first love even if it kills her **Union**
