Dhillon, 1987 *The Linebook* , 1925 **Ecology and Behavior of Chickadees and Titmice** Ken A. Otter, 2007-02 Members of the Paridae family represent popular organisms for ornithological research This is due to the flexibility to study this group of birds in both the lab and the natural environment In contrast to previously published literature this volume concentrates on research themes The editor has invited a team of leading specialists to provide a synopsis of ecological and behavioural research and to compare and contrast this with what is known from Old World members of this family e g blue tit and great tit as well as other avian groups *Sing to the Dawn* Dick Lee, Minfong Ho, Stephen Clark, 1996 **How Shall I Live My Life?** Derrick Jensen, 2011-01-26 In this collection of interviews Derrick Jensen discusses the destructive dominant culture with ten people who have devoted their lives to undermining it Whether it is Carolyn Raffensperger and her radical approach to public health or Thomas Berry on perceiving the sacred be it Kathleen Dean Moore reminding us that our bodies are made of mountains rivers and sunlight or Vine Deloria asserting that our dreams tell us more about the world than science ever can the activists and philosophers interviewed in *How Shall I Live My Life* each bravely present a few of the endless forms that resistance can and must take Interviews include George Draffan Jesse Wolf Hardin Vine Deloria David Abram Steven Wise Jan Lundberg David Edwards Thomas Berry Carolyn Raffensperger and Kathleen Dean Moore *Héloïse and Abélard* George Moore, 1923 *Southeast Asian Personalities of Chinese Descent* Leo Suryadinata, 2012 This is a bold project recording the lives of a particular group of Southeast Asians Most of the people whose biographies are included here have settled down in the ten countries that constitute the region Each of them has either self identified as Chinese or is comfortable to be known as someone of Chinese ancestry There are also those who were born in China or elsewhere who came here to work and do business including seeking help from others who have ethnic Chinese connections With the political and economic conditions of the region in a great state of flux for the past two centuries it is impossible to find consistency in the naming process Confucius had stressed that correct names make for the best relationships In this case Professor Leo Suryadinata has been pursuing for decades the elusive goal of finding the right name to give to the large numbers of people who have in one way or another made their homes in or made some difference to Southeast Asia I believe that when he and his colleagues selected the biographies to be included here they have taken a big step towards the rectification of identities for many leading personalities In so doing he has done us all a great service Professor Wang Gungwu National University of Singapore **Sing to the King** LaMar Boschman, 2024-11-13 In this captivating exploration of the power of singing in the Bible LaMar Boschman reveals the significance of the many songs within its pages He highlights how important and significant singing is to God how it connects us with God and that all the inhabitants of heaven sing Through inspirational insights Boschman shows how singing delivers

us sets us free becomes our prayer intimately connects us with God and builds courage in danger He also offers a glimpse of the ultimate end of humanity where those remaining will sing praise to God Sing to the King invites believers to explore the power of singing in the Bible by uncovering kingdom principles and revealing their power to create remarkable outcomes Let's take the message of this book to the body of Christ and release the singing church in this hour The greatness of Jesus deserves every tongue to sing His great praises Bob Sorge author and keynote speaker

Flights Of Fancy 1: A Journey Through Poetry, Prose And Drama (2nd Edition) , **Vitality and Change in Warlpiri Songs** Georgia Curran, Linda Barwick, Emeritus Professor Nicolas Peterson, Valerie Napaljarri Martin, Simon Japangardi Fisher, 2024-03 Warlpiri songs hold together the ceremonies that structure and bind social relationships and encode detailed information about Warlpiri country cosmology and kinship Today only a small group of the oldest generations has full knowledge of ceremonial songs and their associated meanings and there is widespread concern about the transmission of these songs to future generations While musical and cultural change is normal threats to attrition driven by large scale external forces including sedentarisation and modernisation put strain on the systems of social relationships that have sustained Warlpiri cultures for millennia Despite these concerns songs remain key to Warlpiri identity and cultural heritage Vitality and Change in Warlpiri Songs draws together insights from senior Warlpiri singers and custodians of these song traditions profiling a number of senior singers and their views of the changes that they have witnessed over their lifetimes The chapters in this book are written by Warlpiri custodians in collaboration with researchers who have worked in Warlpiri communities over the last five decades Spanning interdisciplinary perspectives including musicology linguistics anthropology cultural studies dance ethnography and gender studies chapters range from documentation of well known and large scale Warlpiri ceremonies to detailed analysis of smaller scale public rituals and the motivations behind newer innovative forms of ceremonial expression Vitality and Change in Warlpiri Songs ultimately uncovers the complexity entailed in maintaining the vital components of classical Warlpiri singing practices and the deep desires that Warlpiri people have to maintain this important element of their cultural identity into the future

Sex and Slaughter in the Tent of Jael Colleen M. Conway, 2016-09-30 In the Hebrew Bible Judges 4 5 tells the lurid story of the heroic figure of Jael the formidable woman who saves Israel from the Canaanite army by seducing their general Sisera and then nailing his head to the ground with a tent peg Once separated from its original theological context the Jael and Sisera tradition transforms into a story about gender identity and conflict between the sexes This gruesome tale has long intrigued scholars and artists alike repeatedly and creatively building on its gendered themes In *Sex and Slaughter in the Tent of Jael* Colleen Conway offers the first sustained look at how this biblical tradition has been used artistically to articulate and inform cultural debates about gender She traces the cultural retellings of this story in poems prints paintings plays and narratives across centuries Conway examines the ways in which Jael has been reimagined by turns as a wily seductress passionate lover

frustrated and bored mother peace bringing earth goddess and deadly cyborg assassin Meanwhile Sisera variously plays the enemy general the seduced lover the noble but tragically duped victim and the violent male chauvinist Ultimately Conway's analyses demonstrate how cultural productions of this ancient text intersect with broader conversations about the often conflicted and sometimes violent relationship between the sexes **Cartucho and My Mother's Hands** Nellie

Campobello,2013-04-01 Nellie Campobello a prominent Mexican writer and novelist of the Revolution played an important role in Mexico's cultural renaissance in the 1920s and early 1930s along with such writers as Rafael Muñoz and Gregorio López y Fuentes and artists Diego Rivera Orozco and others Her two novellas Cartucho first published in 1931 and My Mother's Hands first published as Las manos de Mam in 1938 are autobiographical evocations of a childhood spent amidst the violence and turmoil of the Revolution in Mexico Campobello's memories of the Revolution in the north of Mexico where Pancho Villa was a popular hero and a personal friend of her family show not only the stark realism of Cartucho but also the tender lyricism of My Mother's Hands They are noteworthy too as a first person account of the female experience in the early years of the Mexican Revolution and unique in their presentation of events from a child's perspective **The Preacher's**
