Mechanick,Robert F. Kushner,2016-03-18 Lifestyle the manner in which people live is fundamental to health wellness and prevention of disease It follows that attention to lifestyle is critically important to effective and successful health care But here's the challenge health care professionals receive very little if any formal training about lifestyle counseling and therefore are ill equipped to incorporate lifestyle issues into clinical practice In response Lifestyle Medicine is evolving as a means to fill this knowledge gap Lifestyle medicine approaches health and wellness by harnessing the power of lifestyle related behaviors and influencing the environment we live in It is a formal approach that promises to enhance and strengthen a re invigorated health care system that is still outpaced by the epidemic proportions and complexity of chronic diseases like obesity diabetes depression hypertension and cancer among others Lifestyle Medicine A Manual for Clinical Practice presents this formal approach in a pragmatic context This unique and practical manual provides clear and succinct guidance on nearly all aspects of lifestyle medicine The approach is both explanatory and pragmatic providing case studies and bulleted translation of academic information into clinical practice recommendations There is an emphasis on scientific evidence wherever possible as well as opinions by the expert chapter authors who practice lifestyle medicine There is a how to rationality to the book consistent with a premise that any and all health care professionals should and perhaps must incorporate lifestyle medicine A valuable checklist is included at the close of the book that summarizes key points and provides a practical tool for routine patient encounters

**The Shy Single** Bonnie Jacobson,Sandra J. Gordon,2004-06-12 Nearly 50 percent of adults in the United States describe themselves as chronically shy and an even larger number are single These numbers prove what we already know There are a lot of us sitting home alone letting the dating world pass us by But it doesn't have to be that way In The Shy Single New York psychologist Bonnie Jacobson outlines her breakthrough program that helps shy men and women securely maneuver any social situation At the heart of the book is her confidence boosting plan for managing the three stages of a shyness attack A dating profile quiz journaling exercises cumulative courage rating scores and real testimonies from Dr Jacobson's extraordinarily popular shyness workshops round out the coach's corner advice for shy daters on how to Work a room and get past awkward introductions Participate in dinner conversations and bridge uncomfortable silences Ask someone out End a date gracefully Handle sexual advances The aim of The Shy Single is not to make us un shy but to enable us to function despite our pounding hearts and sweaty palms With small manageable steps we can gain self assurance and learn how to

finesse awkward or possibly embarrassing situations Navigate a room with small talk No problem Ask out a coworker No sweat Make the first move in an intimate situation You bet From going online to declining a second date to determining whether we've found the one Dr Jacobson shows us that dating happiness isn't just for other more outgoing people it's for us
