The Humanitarian Parent Merit Hietanen,2023-11-13 Aid sector staff work in some of the world s most challenging environments from conflict zones to sites of natural disaster and refugee camps For a long time the aid worker was typified

The Way We Really Are Stephanie Coontz,2008-08-06 Stephanie Coontz the author of The Way We Never Were now turns her attention to the mythology that surrounds today s family the demonizing of untraditional family forms and marriage and parenting issues She argues that while it s not crazy to miss the more hopeful economic trends of the 1950s and 1960s few would want to go back to the gender roles and race relations of those years Mothers are going to remain in the workforce family diversity is here to stay and the nuclear family can no longer handle all the responsibilities of elder care and childrearing Coontz gives a balanced account of how these changes affect families both positively and negatively but she rejects the notion that the new diversity is a sentence of doom Every family has distinctive resources and special vulnerabilities and there are ways to help each one build on its strengths and minimize its weaknesses The book provides a

meticulously researched balanced account showing why a historically informed perspective on family life can be as much help to people in sorting through family issues as going into therapy and much more help than listening to today's political debates

Be Not Weary in Well-Doing Sarah Bell, 2015-10-22 I often cry when I read parts of my book Sometimes it was so difficult and I loved the kids so much This is far from a How To book I had no qualifications in child raising I just wanted single parents to know that they are not alone and to offer lots of encouragement and love Raising well loved healthy children is a great challenge for even two parents who are strong and love each other Raising children as a single parent can be an overwhelming task I felt compelled to write this book to tell you that you can do it I made many mistakes but somewhere somehow something worked and I have two wonderful kids who make me proud to be their mother We had very little money but we had so much love Together we made it happen We grew together we worked together we snuggled and read for hours together Raising kids is like planting a garden We sow the seeds and we water with

lots of love One day we reap what we have sown and we are blessed to see the wonderful adults our children have become I wrote this book to encourage you to be not weary in well doing Do not despair Love your children and create a loving environment Do not hesitate to put your dreams aside temporarily Your time will come and it will be special because your own child may be your best support and encouragement From where I Stand Melodie Homer,2012 A decade after September 11 2001 the nation continues to mourn what was lost on that sunny Tuesday morning nearly 3 000 lives and the innocence of a nation that will forever be changed LeRoy W Homer Jr was the first officer and co pilot of United Flight 93 en route to San Francisco the morning of September 11 the flight was diverted to Washington D C before crashing into a deserted field in Shanksville Pennsylvania Had it not been for the heroic efforts of crew members such as LeRoy the plane would have crashed into its intended target the U S Capitol destroying more lives and the symbol of a nation united *Until You: A Standalone Romantic Thriller* Clair Delaney,2020-10-12 From The No1 Best Selling Author Of Darkest Fears Trilogy Comes A New Standalone Romantic Thriller Until You Past and present collide in a sweeping tale of love and misunderstandings Lucy Phillips and Timothy Stone were destined to be together from the day they were born Best friends and neighbours they were raised on the outskirts of Brighton a city by the sea in a quiet family setting and they were inseparable For Lucy Timmy was the one person who knew her through and through despite her geeky nature And for handsome and troubled Timmy Lucy was the most important person in his harsh world and the one who had always been there for him whenever he needed her Lucy swore that nothing would ever tear them apart And then the last year of school changed everything because the boy that Lucy could never imagine herself without leaves In the years that follow Lucy yearns for Timmy s return and it takes a tragedy that strikes at the heart of her for him to return home However Lucy is unable to cope and drives a wedge between them once more But with an unseen threat looming over Lucy s life can she and Timmy overcome their past and embrace the future Or are they doomed to always be apart A bundle of unopened letters heartache tragedy danger and through it all a love that never ends Buy Until You Today On Google Play **We Were Deceived** Desiree Alcantara,2020-06-09 This is a book about the journey of a woman who was diagnosed with chronic schizophrenia in 1996 and declared incurable by science and condemned to a lifetime of medications and psychiatric institutions In this book you will go along with her in her journey and learn how it was that Jesus Christ delivered her from a legion of demons and how she not only got completely healed from schizophrenia but she also graduated from college with a degree in psychology and from a Christian Bible Institute as a minister In her journey to find the truth she discovered through the guidance of the Holy Spirit that many of the things she was being taught in her schools were wrong and far from the truth and how society has been deceived in general with the feminist movement to set mothers up to abandon their children so that the children will be indoctrinated and mind controlled with music movies false teachings from churches and the public school system which is designed to dumb children down and to program them to obey their system Like this they

can produce more mentally ill people that end up consuming their medications and never getting healed as a result of not addressing the issue spiritually and with the power of Christ and His truth In this book I present many news articles to proof that the feminist movement is a fraud and the verses of the Bible to show that the will of God for women was that they be home with their children I show the importance of mothers staying home with their kids and the devastating effect that the working mothers are having upon their children I also show many of the things that the enemy has been doing to program our society to accept his ways and go astray from the ancient biblical ways of our Lord Jesus Christ The main point of this book is to show the church that the enemy has infiltrated our pulpits and that they have changed and twisted our scriptures and lead the flock to live a lukewarm Christian life We must repent and come back to the truth and acknowledge that we are in apostasy and the judgment of God is coming upon the world as a result of our apostasy I believe we are living in the last days and the great tribulation is about to start and the coming of our Lord Jesus Christ is imminent Soon the lifestyle of luxury and comfort that we are used to here in America will be stripped away and the enemy is getting ready to rule over us for the short period of time that he was granted from God Also my book is to show everyone also how it was that we have allowed the enemy to get so much control of our lives and why it is that God allowed him to get away with doing so Because of our rebellion and disobedience the enemy now is getting ready to take over and create a New World Order and a One World Religion which excluded the truth of Jesus Christ This is a book to awaken the masses from their spiritual slumber and to bring the kind of repentance that will unleash the spiritual revival the Lord Jesus Christ expects to harvest right before He comes to rapture His bride
