Axelrod, Charles R. Cooper, 2011-10-19 Adapted from the best selling St Martin's Guide to Writing Axelrod and Cooper's Concise Guide to Writing provides streamlined versions of the chapters covering six of the most commonly assigned genres in the first year writing course remembering events writing profiles explaining concepts arguing a position proposing a solution and justifying an evaluation The careful integration of well chosen readings with guided writing instruction in these chapters is complemented by coverage of strategies for reading writing and research in brief but complete chapters at the end of the book Read the preface Teaching Writing as Journey, Not Destination P. L. Thomas, 2019-01-01 American author Kurt Vonnegut has famously declared that writing is unteachable yet formal education persists in that task Teaching Writing as Journey Not Destination is the culmination of P L Thomas's experiences as both a writer and a teacher of writing reaching into the fourth decade of struggling with both This volume collects essays that examine the enduring and contemporary questions facing writing teachers including grammar instruction authentic practices in high stakes environments student choice citation and plagiarism the five paragraph essay grading and the intersections of being a writer and teaching writing Thomas offers concrete classroom experiences drawn from teaching high school ELA first year composition and a wide range of undergraduate and graduate courses Ultimately however the essays are a reflection of Thomas's journey and a concession to both writing and teaching writing as journeys without ultimate destinations

Assessment in Higher Education Samuel J. Messick, 2013-12-16 Assessment in Higher Education brings together in one place most of the major issues confronting higher education in the 1990s These include enhancing student access development and success in higher education transforming admissions testing to meet expanding educational needs resolving the politics of accountability by assessing quality outcomes of higher education assuring fair assessment responsive to human diversity and facing the technological future of higher education An integrative thread that weaves through all of these issues is the concept of equity especially as it bears on social justice in education and on fairness in assessment Another integrative thread is the role of computer and multimedia technology not only in improving the efficiency and power of all the functions of higher education assessment but also in revolutionizing the delivery of higher education itself The "I Hate to Write" Guide to College Level Essays Beth Daniels, 2017-12-29 THE I HATE TO WRITE GUIDE TO COLLEGE LEVEL ESSAYS 4 IN 1 does not replace the required text books in English Composition courses but it does explain how to write an essay at this level without using academic words like thesis I never understood what that meant when I was an undergraduate so I don't expect everyone to know what it means but I do explain what it is in regular language The four volumes grouped together here have appeared in e book form but never as a print copy It was probably past time to offer

another option The reason I wrote BASIC ESSAY BOOK CRITIQUE and RESEARCH PAPER is that they were the first essays students were required to write not just in composition class but in other courses CHOOSING A TOPIC is something that has boggled many a mind These are my guidelines and enough students told me that the way I detailed essay requirements finally allowed the light bulb moment of understanding the process be lit for them Hopefully you ll find something helpful too
