Dr. Justin G. Prock, 2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions Biblical Eschatology: Dr. Justin G.

Prock, 2021-06-20 In recent history men from a variety of backgrounds have come to the same conclusion that the Bible is about Israel only For example In 1861 John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come O Come Emmanuel Ever since 1861 Christians have sung that hymn at Christmas time especially at Advent Do you know what the words really mean that you are singing In 1878 Edward Hine wrote an article titled Seven Eighths of the Bible Misunderstood wherein he explains that seven eighths of the Bible is about national salvation i e the national salvation of True Israel whereas only one eighth of the Bible is about personal salvation Did you know that In the 1960 s Pastor Sheldon Emry wrote an article title An Open Letter to Any Minister Who Teaches the Jews Are Israel wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible In 1998 Arnold E Kennedy wrote a book titled The Exclusiveness of Israel wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel So here we are in the Twenty First Century and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A D by Yahshuah and His disciples i e the Gospel of the Kingdom So where did

the so called churches and pastors go wrong By the way is there really a hierarchy in the Bible In order to find out what the truth really is we have to look at the original languages in which the Bible was written and then translated For example the Old Testament was written in Hebrew and Aramaic then translated into Greek The New Testament was written in Hebrew and Greek Both Testaments were put together and translated into Latin then German and finally into English from which the entire world received their own translation of the Bible So what was the original meaning of the words used in the original languages i e the etymology of the words Once that is determined then we can go onto the next phase and discuss types in the Bible From there what is the Law of First Mention How should Bible prophecy be Interpreted Who are the keys to Bible prophecy Where are we in the Bible prophecy timeline During these discussions we will find out who Yahweh chose of all the families of the earth to make His own The churches teach universalism The question then becomes Who was Yahweh s Law given to What are the Laws of Yahweh And then the even bigger question becomes Who was Yahshuah sent to All of these questions and more will be answered as you read this book     *Dirty Tricks* Shane O'Sullivan,2018-10-09 The victory of Richard Nixon in the US presidential election of 1968 swung on an October Surprise a treasonous plot engineered by key figures in the Republican Party to keep the South Vietnamese government away from peace talks in Paris costing thousands of American lives There is growing evidence that the CIA was deeply involved in illegal domestic operations targeting Daniel Ellsberg and in the Watergate break ins during Nixon s 1972 campaign which ultimately led to his downfall CIA Director Richard Helms relationship with Watergate burglar E Howard Hunt was much closer than previously disclosed and the CIA agent inside the plot was sent on a double agent mission by American intelligence after he got out of prison Drawing on newly declassified files and previously unpublished documents *Dirty Tricks* debunks the myths around Watergate and deepens our understanding of the dirty tricks that undermined democracy during the Nixon years and destroyed public trust in politics during the seventies These scandals turn on the covert action of two powerful interest groups the senior CIA officers around Helms and the key advisers around Nixon in this chilling story of political espionage and deception

**Watergate Exposed** Douglas Caddy,Robert Merritt,2010-10-01 Disclosing new factual material about the Watergate scandal this provocative expos of the famed break in of the Democratic National Committee headquarters in 1972 reveals that the burglars were set up and explains how our historical consciousness has been altered to obscure the truth Written by a confidential informant this never before told story rewrites the accepted truth of the scandal that rocked the political world and the entire nation while taking readers on a behind the scenes tour of a major criminal investigation Drilling down to the core level of the political nightmare shocking acts of manipulation and deceit are uncovered as new light is shed on the players and puppet masters behind the event that led to the one and only presidential resignation in U S history     **A Terrible Mistake** H. P. Albarelli,2009-07-01 Following nearly a decade of research this account solves the mysterious death of biochemist Frank Olson revealing the identities of his murderers in shocking detail It offers a unique and unprecedented

look into the backgrounds of many former CIA FBI and Federal Narcotics Bureau officials including several who actually oversaw the CIA's mind control programs from the 1950s to the 1970s. In retracing these programs a frequently bizarre and always frightening world is introduced colored and dominated by many factors: Cold War fears, the secret relationship between the nation's drug enforcement agencies and the CIA, and the government's close collaboration with the Mafia.

**Psychology and the Perennial Philosophy** Samuel Bendeck Sotillos, 2013-05-01. Modern psychology is at an impasse as it searches anxiously for new therapies to address the increasing occurrence of mental illness in contemporary society. In this groundbreaking anthology leading authors from the perennialist school including Huston Smith, Seyyed Hossein Nasr, and Frithjof Schuon draw on the age-old insights of the world's wisdom traditions to argue that modern psychology, behaviorism, psychoanalysis, humanistic and transpersonal psychology overlooks the specifically spiritual factors contributing to mental health and illness.

**Secret Agent 666** Richard B. Spence, 2008. Aleister Crowley is best known today as a founding father of modern occultism and his influence can be found everywhere in popular culture. Crowley, also known as the Great Beast, has been the subject of several biographies, some painting him as a misunderstood genius, others as a manipulative charlatan. None of them have looked seriously at his career as an agent of British Intelligence. Using documents gleaned from British, American, French, and Italian archives, *Secret Agent 666* sensationally reveals Crowley's role in many government plots.

*A Memoir of Injustice* Jerry Ray, Tamara Carter, 2011-02-19. Including previously undisclosed information on one of the most significant and mysterious events in modern American history, this account debunks the myth that James Earl Ray was a racist and documents his actual location on one of the critical days leading up to the assassination of Martin Luther King Jr. The memoir also reveals photographs of James Earl Ray when he was ill in prison and gives the key to a code used by the brothers in planning a prison break. Presenting a mesmerizing perspective on the manipulation of the media in reporting on race relations, the working middle class, and the U.S. criminal justice system, this account broadcasts an urgent call to action to correct some of the many injustices that surround these events, such as the U.S. government's refusal to rigorously test the alleged murder weapon and encourages support for new federal legislation.

*Killing God's Enemies*: John Brook, 2017-11-03. *Killing God's Enemies* relates the origin, history, and activities of the Church of Christian Identity and its violent outgrowth called the Phineas Priesthood. In doing so, the book reveals the group's philosophy of hate, their methodology, which is death to all blacks, Jews, homosexuals, and abortionists, and their goal, which is an America ruled by white men. The Church of Christian Identity is a small and obscure religious denomination. Its radical arm, the Phineas Priesthood, barely registers on the radar screens of the general public's consciousness. That is until it's too late. For the Phineas Priesthood is unlike any other priesthood. There is no seminary and no ordination. There is only one requirement: kill the enemies of God. *Killing God's Enemies* will tell the fantastic but true tale of how Christian Identity came to exist, where the idea of the Phineas Priesthood came from, relate the violent exploits of the Priesthood's lone warriors, and show how Anti
