through only one pair of eyes Now Michael Crick acclaimed biographer of Jeffrey Archer writes the first fully rounded independent portrait of Sir Alex From his roots as a Govan trade unionist to the current peaks of world football Crick applies the same forensic skills he applied to his study of the disgraced Tory peer Through hundreds of interviews with those who ve known and worked with Sir Alex and delving back through the archives Michael Crick explores the money and the politics of football the bust ups the fights and those memorable moments of glory Charismatic and charming volcanic and ruthless searingly ambitious and astonishingly successful What makes Sir Alex Ferguson tick How did this complex character become the most successful manager in British football producing first at Aberdeen and now at Manchester United two of the most prolific trophy grabbing machines in the modern game THE BOSS is essential reading not just for Manchester United fans and football followers in general but for anyone interested in the skills of successful management Fergie The Greatest - The Biography of Alex Ferguson Frank Worrall,2014-06-05 8 May 2013 the day Manchester United fans had dreaded for nearly three decades Sir Alex Ferguson announced he was to step down as manager of the world s biggest football club after 27 years in charge The Scot signed off in style with an honours list that confirmed him as the most successful manager in British and world history He would leave United at the age of 71 having won 38 trophies with them and he would now become a director and ambassador for the club he had served so well The story of Sir Alex Ferguson is a true rags to riches fairytale Born in Govan Glasgow in 1941 he played for Queen s Park Dunfermline and Rangers before retiring in 1974 to begin his managerial career Before joining Manchester United he led a struggling Aberdeen side to the league title and the 1983 European Cup Winners Cup and although he struggled initially at United his bargain signing of Eric Cantona secured their first league title in 26 years An incredible run of success followed shaped by the emergence of Fergie s Fledglings Ryan Giggs Gary Neville Paul Scholes David Beckham and Nicky Butt His finest moment was in 1999 when United romped to an unprecedented Treble of Premier League FA Cup and Champions League trophies Ferguson was knighted the same year This in depth biography charts Fergie s unstoppable rise and pays tribute to the greatest manager the world has ever seen
