The Last Village Smithy Ray Glabach,2011-07-05 One of the large sliding doors on the south side of the shop was wide open and Henry went through it on a dead run followed closely by the angry ox Henry ran completely through the shop and out an open door on the garage end Luckily the ox was slowed somewhat by its new iron shoes which didnt provide much traction on the hard concrete floor But it knew where Henry went and charged out the door after him Chapter 3 the Ox Shoe Incident The next morning while Frank was doing the milking Tex came slowly limping into the barn on three legs One ear was badly torn and his white fur was caked with dried blood Thank God youre back We had given you up for dead Frank told him The rest of the milking would have to wait Chapter 8 Frank Woods Muck land Potatoes What was in that cabinet What was so valuable or secretive that it needed to always be locked away Moreover why didnt Henry who knew just about everything about the town know what was inside Or was it a secret and he wasnt telling As youthful curiosity will often insist one day I just had to have an answer Chapter 12 Town Hall Tales When the spray of water hit the fire and hot bricks it instantly turned to a huge quantity of steam The steam immediately changed direction and exploded out the top of the chimney The steam explosion launched many bricks and one very startled fireman off the roof still clutching the writhing fire hose as if it was an enraged python with a bareback rider Chapter 17 the Cellar Savers It would have been priceless to see the expression that must have come across the face of the cars driver as his headlights caught the sight of that sled full of kids passing him and pulling ahead Chapter 28 The Ripsled Riders

There Is a Way William M Davenport,2007-08-30 Roger King and Russell Queen died under mysterious circumstances during a bitter labor dispute between the labor union and the railroad companys scab workers The King and Queen families each believed that their loved one had been murdered by the other For that reason the surviving Kings and Queens vowed to maintain the strikes de facto feud in their Railroad Street neighborhood Both Ben Knight and wife Clara lost their health while Vince the youngest of their ten children was still in diapers As a consequence the frail sickly child was being raised by siblings Vincens preteen years were spent in an isolated area of Eastern North

The Smart Set ,1915 **It Was On Fire When I Lay Down On It** Robert Fulghum,2010-04-14 From the author to the reader Show and Tell was the very best part of school for me both as a student and as a teacher As a kid I put more into getting ready for my turn to present than I put into the rest of my homework Show and Tell was real in a way that much of what I learned in school was not It was education that came out of my life experience As a teacher I was always surprised by what I learned from these amateur hours A kid I was sure I knew well would reach down into a paper bag he carried and fish out some odd shaped treasure and attach meaning to it beyond my most extravagant expectation Again and again I learned that what I thought was only true for me only valued by me only cared about by me was common property The principles guiding this book are not far from the spirit of Show and Tell It is stuff from home that place in my mind and heart where I most truly live P S This volume picks up where I left off in All I Really Need to Know I Learned in Kindergarten when I promised to tell about the time it was on fire when I lay down on it
